Instruction Collaborative

Minutes –March 11, 2009

Present were: Andrea Cantrell, Norma Johnson, Elizabeth McKee, Patricia Kirkwood and Luti Salisbury (Chair).

We continued to identify objectives for the remaining components and made improvements to the others.

It was decided to re-arrange the program components under four broad categories (formal instruction sessions, consultations, outreach activities, and self-directed instruction) in order to better reflect the types of instruction being offered. Norma and Elizabeth agreed to do this for the committee.

Members were asked to look at the draft objectives and suggest other improvements if necessary.

There will be no meeting on Wednesday, March 18.

During the next meeting on March 25 we will plan for the meeting with instruction librarians on March 30 and work on the methods of achieving objectives for each component.
