Learning Collaborative Meeting  -- September 25, 2008

Members present:    Candido, Daniels, Lennertz Jetton, Parker-Gibson, Salisbury

Guest :            Deb Kulczak

Minutes for 9/4, 9/11, and 9/18 were approved.

The members approved the new pictures for the Scholarly Journals video earlier in the week and approved the video during the meeting.

The committee reviewed the Research Paper Wizard and approved it for sending to the next level.

Lennertz Jetton presented potential still images for the Keyword search. The group agreed to the general concepts pending script changes.

The committee discussed the request from the Web Development group for the creation of a video introducing the libraries’ website. Candido agreed to work on the script.

We were joined by Kulczak who authored the InfoLinks introductory video and discussed the survey comments. We began editing the video with an eye to shortening it.
