Dean Allen distributed for discussion a list of development suggestions and naming opportunities submitted by members of the Council. The suggestions were divided into categories such as Interior Spaces/Facilities, Exterior Spaces, Collections, Named Chairs, Equipment, Awards/Scholarships, Projects/Initiatives, Continuing Education/Travel.

A lengthy discussion ensued about the suggestions put forward. Dean Allen asked that those who made some of the suggestions to research estimated costs for each by the following Monday, November 1. She thanked everyone on the committee for their suggestions.

The exact nature of the Extreme Makeover is still being studied but will involve the expansion of usable space for students and faculty, especially on Levels 1, 3, and 4. Part of the plan is to move the volumes on Level 1 in the P’s to more pleasant and open space on Level 4 on the east side. This will require some weeding of the Z’s on Level Four, east, which is being conducted by library selectors.
