Minutes of Public Service meeting

September 27, 2011

Room 472B

Present were: Donna Daniels, Judy Ganson, Tess Gibson, Phil Jones, Kathleen Lehman, Lora Lennertz Jetton (presiding), Joshua Youngblood, Tim Zou, (Dawn Lingelbach)

Lennertz Jetton mentioned that she was investigating some changes to hold programming in InfoLinks which had led to a difficulty with her new staff person.

Jones reported that he has been having difficulties with SharePoint login controls and that Architecture was having difficulties in getting onto the network.

Gibson indicated that we had been experiencing Illiad server problems.

Ganson announced that a representative from Innovative Interfaces will be coming to the library on Tuesday to provide a demonstration on the Sierra platform.

Jones and Jetton drafted a memo regarding the location of the Ms and Ns for the immediate future. The memo was accepted by the group for forwarding to the library administrators.
