University of Arkansas Libraries

Minutes of the Public Services Meeting
June 30, 2011
Room 486

Present: Lora Lennertz Jetton (presiding), Phil Jones, Beth Juhl, Kathleen Lehman

Announcements

- Jones referenced the New Yorker article, “Alice’s Wonderland: A Walmart Heiress Builds a Museum in the Ozarks.”
- Jones warned that there may be some downtime relating to the switchover of DeskTracker statistics. Some discussion was given on managing statistics within the Web Services department.
- Lehman provided her impressions on the differences between Special Libraries Association and American Library Association annual meetings.
- Lora Lennertz Jetton announced that the Learning Collaborative is currently investigating the use of Elluminate.
- Juhl recommended that everyone begin looking at the catalog’s staging port to see changes which will be occurring in the online catalog. Changes are anticipated for August 1st.
- Juhl noted that shifting information can now be found on the webpage
- The group agreed to cancel the July 5th meeting.
