Boddie

- Training on the 303 collaboration rooms. Another training will be held at 2:00pm today. Instructions will available in each room in the future. Please talk to Boddie or Kathleen if you would like training on the rooms but can’t make the sessions today.

Kathleen

- If you want to take a look at the patron side of the Reserve a Room/Dibs site, go here http://uark.evanced.info/dibs and log in using your user name and password. There are still a few tweaks that may be made. Feel free to make reservations for yourself but please don’t make any that go past November 13. Dibs is having a glitch with the confirmation emails that they are hoping to have fixed in the next few days. The text messaging reminders, however, are working just fine if you want to test that out. Once I have desk accounts set up and policies/procedures worked out, we’ll do training on what we need to know for room reservations and circulation.

- Spring International Scavenger Hunt is Nov 5th from 12:10- 2:30pm. This activity is mainly for the students to practice speaking and listening to English, and at the same time they get to learn a little bit about the Libraries. Please see the attached email for more details.

Joshua

- Check on the two new Special Collections exhibits curtesy of Amy and Cat: KUAF in the Walton Reading Room and Arkansas football in the case by the Lap Op station. This is KUAF’s 30th anniversary and Special Collections is their official archive.

Tony

- He’s back! And will be full-time next Monday. Let students know he is happy to book consultations with them anytime.
