Thanks to everyone who was able to join us for the training on LibSurveys, and thanks to Beth for providing the training. For helpful information and reminders of what we learned today, please see Beth’s LibSurveys page in the LibGuides Guide [http://uark.libguides.com/LibGuidesGuide/LibSurveys](http://uark.libguides.com/LibGuidesGuide/LibSurveys). I’m looking for one volunteer to join me for the transfer orientation table on Jan 12th from 8:30 – 10:00am.

Please make sure your work preferences are all set for spring in When to Work.

I forgot to mention this in our meeting but UAPD has hired some fulltime Security Officers to help them keep an eye on campus and report behavior as needed. Marco said admin will have more information for us, but we wanted to give you a heads up in case you see them around or patrons are asking. When you see them, that doesn’t necessarily mean there’s anything “wrong”, and their presence hopeful will help keep it that way!

**Coming up:**

- **Jan 6th R&I meeting in 102** – For everyone who works the ref desk and for anyone else interested in learning, Norma and I will do a training on LibAnswers. Starting in the spring, as part of being on the ref desk, we would like everyone to be logged in to the LibAnswers account during their shifts and answering or referring questions as they come in. During the training we’d like to make sure everyone gets comfortable using it. I’ll send out a reminder email to everyone the week we get back from the holidays.
