March 2010

Members: Geoffrey Stark, Janell Prater, Dawn Lingelbach, Bridget Penrose, and Michele Tabler

Minutes:

We discussed the submission of the results of the Christmas poll to the Library Council. Also, we discussed the many good suggestions that were part of the comment section of the poll, and transferred the data to Dawn Lingelbach for use of the party planning committee. We discussed the usefulness and practical considerations of conducting selective polls in the future. There was a brief overview of staff reaction to the recent tornado emergency procedures.
