- R 15. Academy — West Point, Miscellaneous [sic] 1942.  
Feb 17, 1939 - Nov 23, 1942. [Restricted]  
Correspondence, information booklet, and other material covering many difference subjects dealing with West Point. Among these subjects are individuals request for consideration in appointment, individuals rejected for appointment, congressional swap of number of appointment and progress of nominee John Paul Hammerschmidt.

## BCN 3. (Cont. ...)

16. Legislation: Education — Federal Aid For.  
Dec 15, 1942 - Nov 17, 1943.  
Correspondence, copies of bills and other material in connection with various federal legislation to provide funds for different phases of public education. (Senate bill 637 to authorize the appropriation of funds to assist the states in more adequately financing in times of emergency their public education and to reduce inequalities of educational opportunities in public elementary and secondary schools.) (House bill 699 to make vocational rehabilitation available for those disabled in armed forces action or in war industries or to make physically disable capable to work in war, agriculture and civilian industries.) (Senate bill 1130 to establish child care facilities for war employed mothers.) (Senate bill 1313 to authorize the appropriation of funds to assist states in meeting financial emergencies in education and reduce inequalities in schools.) (House bill 3206 to amend Lanham Act and establish child care centers under the authorization of Federal Works Agency) Also covered in folder are school lunch program, physical training, and procedure for receiving appropriations.
17. Gen[eral] Legislation: Farm Security Administration.  
Feb 16, 1943 - Jun 21, 1943.  
Correspondence, statistical data and other material pertaining to the Farm Security Administration. Some individuals and groups hailed the F.S.A. for helping the small farmer achieve financial success while others demanded the F.S.A. be abolished in order to alleviate alleged corruption in the organization and stabilize shifts in the availability of manpower.
18. Legislation Labor.  
Jan 18, 1943 - Nov 10, 1943.  
Correspondence and other material dealing with problems in labor and in labor legislation during World War II. Problems concerning lack of manpower as opposed to legal child employment age, lack of patriotism as opposed to union organized strikes and lack of governmental controls over union executives as opposed to alleged graft and corruption are brought out through individual and group opinions. Legislation concerning various phases of labor regulation. (Senate bill 796 is related to the use and operation by the United States of certain plants, mines and facilities for the war effort and to the prevention of strikes, lockouts and stoppages of production. Termed "anti-labor law".) (House bill 2103 is related to punishment for willful destruction or defective manufacture of property used or intended for national defense.)
19. Legislation: Taxation — Poll Tax.  
Nov 24, 1943 - Mar 29, 1944.  
Correspondence and resolution concerning individuals opposition to the abolition of the poll tax.

## BCN 3. (Cont. ...)

20. Legislation — Taxation — Income Tax.  
Jan 16, 1943 - Apr 7, 1944.  
Correspondence and other material relating to various methods or systems for collecting income tax and to various opinions of individuals relating to these plans. The Ruml Pay-As-You-Go Plan was the primary system discussed.
21. Legislation — Taxation — Sales Tax.  
Oct 4, 1943 - Nov 12, 1943.  
Correspondence in favor or in opposition to the addition of sales tax in order to increase government revenue.
22. Letter Copies (1942) sic  
Aug 24, 1942 — Jan 9, 1943.  
Copies of correspondence written and received prior to Fulbright's taking office for his first term. Contents of correspondence is miscellaneous but primarily deals with the inexperienced representative's inquiries for information about Washington and his replies to "well-wishers."
23. Invitations — Jan. - Sept. 1943.  
Jan 4, 1943 - Sep 6, 1943.  
Correspondence pertaining to invitations and replies, printed invitations and itineraries of events to miscellaneous governmental and social affairs.
24. Invitations — Summer.  
May 29, 1943 - Sep 1, 1943.  
Correspondence pertaining to invitations and replies and itineraries of events to miscellaneous governmental and social affairs primarily to be held in Arkansas.
25. General Invitations — During Recess — Summer.  
May 26, 1943 - Aug 31, 1943.  
Correspondence pertaining to invitations and replies and itineraries of events to miscellaneous governmental and social affairs primarily to be held in Arkansas. This folder is essentially a continuation of folder 24.

BCN 4. U.S. Office of Price Administration General Correspondence 1945-47

- F1. O.P.A. — Automobiles, Tires, Tractors, etc.  
Nov 13, 1945 - Apr 16, 1946.  
Correspondence and other material supporting the adoption of House Resolution 6042 (the Crawford Amendment) which would amend the Emergency Price Control Act of 1942 and the Stabilization Act of 1942 to reduce automobile dealers' discount rates below the prewar percentage level.
2. O.P.A. — Broiler prices.  
Oct 29, 1945 - Jul 11, 1946.  
Correspondence pertaining to the ceiling price on poultry by the O.P.A. which set the price at a low rate allowing the price for feed to increase thereby causing a problem for the Arkansas poultry growers.
- ov  
3. O.P.A. — Canning Industry Regulations.  
Beans, Tomatoes, etc.  
Food Prices, Cans, etc.  
Feb 22, 1943 - Jun 25, 1945.  
Correspondence relating to the regulations placed on the canning industries by the O.P.A. and the effect of these regulations upon Arkansas canners and growers.
4. O.P.A. — Coal Prices  
Feb 28, 1945 - Dec 12, 1945.  
Correspondence requesting an increased adjustment in the price of coal produced in Arkansas mines.
- ov  
5. O.P.A. — Cotton Ceiling.  
May 25, 1942 - Jan 29, 1946.  
Correspondence opposing the O.P.A.'s proposed ceiling on raw cotton to stabilize prices of textiles and clothing.
6. O.P.A. — Cotton Goods [Allocation]  
May 27, 1943 - Aug 30, 1945.  
Correspondence and other material concerning the shortage of cotton piece goods caused by the allocation and control over essential war materials by the War Production Board. To meet the aims of the War Production Board program, the O.P.A. was developing tighter price controls on fabrics and finished garments. This joint program was prepared to channel a substantial proportion of the limited supply of materials available for civilian use into the most essential low and medium priced wearing apparel.
7. O.P.A. — Cotton Storage and Compress — Rates, etc.  
Aug 14, 1943 - Oct 19, 1944.  
Correspondence dealing with the controversy between the cotton compress and warehouse industry and the OPA over prices of cotton storage and compress services, pooled cotton, price ceilings, shortages of warehouse space, and the price of cotton seed products.

## BCN 4. (Cont. ...)

8. O.P.A. — Dairy Products.  
State of Arkansas.  
Milk Subsidies, etc.  
Mar 1, 1943 - Jun 20, 1946.  
Correspondence concerning the impending problem to Arkansas dairy-men arising from the O.P.A.'s control on the price of dairy products. The individual requests support the matter before the Senate Committee on Agriculture to increase the price of dairy products and alleviate the existing subsidy program.
  9. O.P.A. — Extensions, etc.  
Jun 20, 1944 - Nov 30, 1945  
Correspondence, Congressional Record excerpts and other material regarding the decision to extend the O.P.A.'s price controls to prevent inflationary prices after the war. Included is Public Law 383, (the Stabilization Extension Act of 1944) and S.J. Res. 30 to extend the effective period of the Emergency Price Control Act of 1942 and the Stabilization Act of 1942.
  10. O.P.A. — Lumber and Timber Products.  
Arkansas and South.  
Mar 12, 1945 - May 14, 1946.  
Correspondence and other material pertaining to the existing lumber shortage situation caused by the O.P.A.'s control on prices and the second revised MPR (maximum price regulation) 215 under which all manufacturers were authorized to sell at retail prices preventing sales to retail dealers thereby causing a "black market" on lumber. Correspondence also pertains to other maximum price regulations, price relief for the Southern Pine lumber industry, ceiling on white oak, effects on distilleries and box grade veneer price controls.
  11. O.P.A. — Meat Shortage.  
May 14, 1946 - May 21, 1946.  
Petition from Benton County Purchasing and Marketing Association expressing appreciation to Fulbright for his efforts in getting relief for the poultry and livestock industry in Arkansas.
- ov
12. O.P.A. — Minimum Prices, etc. March 19, 1943 - March 29, 1946  
Mar 19, 1943 - Mar 29, 1946.  
Correspondence and other material relating to the question of whether to maintain or abolish the O.P.A.'s control on prices and to amendments relative to the Emergency Price Control Act of 1942. The correspondence, either for or against the government anti-inflation programs deals largely with price controls effecting rent, lumber, textiles, retail dealers, steel, furniture, builders, motor vehicle retail trade, agriculture and livestock.

BCN 4. (Cont....)

ov

13. O.P.A. – Minimum prices, etc. April 1, 1946 – April 24, 1946  
Apr 1, 1946 – Apr 24, 1946.  
Correspondence and other material relating to the question of whether to maintain or abolish the O.P.A.'s control on prices and to amendments relative to the Emergency Price Control Act of 1942. The correspondence either for or against the government anti-inflation programs deals largely with price controls effecting rent, lumber, textiles, retail dealers, steel, furniture, builders, motor vehicle retail trade, agriculture and livestock.
14. PA – Policies, etc.  
Jan 30, 1942 – Dec 19, 1945.  
Correspondence, summaries of committee hearing, legislative reports, senate joint resolutions, public laws and clippings relative to various factors regarding O.P.A. policies. They include: rationing; inflation; amendments to Emergency Price Control Act of 1942 (S.J. Res. 30); price ceilings & control; the McKellar Amendment to price control act (to restrict the operation of O.P.A.'s legal and enforcement activities); the liquidation program in Arkansas for removal of wartime controls; the proposed amendment to recognize percentage depletion as part of the cost of producing coal; and the proposed Taft and Thomas amendments regarding reconversion pricing.
15. O.P.A. – Policies, Operation in Arkansas.  
Apr 17, 1943 – Dec 17, 1945.  
Correspondence and other material pertaining to miscellaneous complaints airing from price control policies set by O.P.A. These include complaints regarding revised price control act; tactics, inefficiency and bad administration of O.P.A.; reduction of O.P.A. war price and rationing boards; rationing; ceiling prices on strawberries, lard and shortening, broilers; curtailment of civilian use of gasoline; labor-union dispute; complaints against district director Robert P. Hall; and MPR (maximum price regulations) 208, 237, 339 and 445.
16. O.P.A. – Price Policy, Price Absorption, etc.  
Sep 17, 1945 – Jan 3, 1946.  
Correspondence regarding the proposed S.J. Res. 118 to amend the Emergency Price Control Act of 1942, as amended, with respect to the margin of profit which must be allowed in fixing maximum prices. This proposed cost absorption policy would allow manufacturers to increase prices and force wholesalers and retailers to absorb the increase.
17. O.P.A. – Rent, Rent Control.  
Nov 6, 1945 – Jul 30, 1946.  
Correspondence concerning the rent situation in several Northwest Arkansas towns and consisting of letters either favoring or opposing federal rent control and the controls on the sale of real estate.

## BCN 4. (Cont. ...)

18. O.P.A. – Strawberries – Damages, Ceiling Prices, Etc.  
Jun 4, 1945 – Apr 25, 1946.  
Correspondence in favor or in opposition of the ceiling price on strawberries.
  19. O.P.A. – Sugar – Confectioneries, Soft drinks, etc.  
Jun 1, 1945 – Aug 2, 1946.  
Correspondence, legislative reports, and other material regarding the sugar shortage situation. The correspondence stems from requests for a new sugar quota and increases in sugar allotments.
  20. 43a [ O.P.A. – Miscellaneous] January – April, 1946 [sic]

Feb 17, 1946 - Oct 9, 1951.  
Contains correspondence about various commemorative  
stamps, salaries, appointments, service, veteran placement  
in the department, and extensive complaints over projected  
closings of small post offices.
  
- 30. 6 Post Office Department - General [Correspondence] 1952 [sic]  
Oct 1, 1951 - Dec 2, 1952.  
Contains correspondence suggesting various commemorative  
stamps and inviting the President to dedicate two Arkansas dams;  
complaining of local postal operations; urging P.O. contract with  
a certain railway; and requesting miscellaneous practices.

## BCN 14. (Cont. . . .)

31. 6 Post Office Department - General [Correspondence] 1953 - 54.  
Feb 26, 1953 - Dec 2, 1954.  
Contains correspondence from citizens of Texarkana protesting the moving of the Post Office Rail Terminal from there to Dallas; and from elsewhere complaining of a mail lottery, objectionable mail, change in third class mail rules; suggesting commemorative stamp issues; inquiring into philatelic organizations and publications and objecting to various investigations and proposed personnel changes.
32. 6 Post Office Department - General [Correspondence] 1955.  
Jan 14, 1955 - Dec 14, 1955.  
Contains correspondence urging a commemorative stamp issue, increased use of the Cotton Belt Railway for mail, and retention of several star routes; and complaining about postal service in Little Rock, advertisements sent by mail, discontinuance of cotton summer uniforms, the cutback of postal employees, the closing of small Post Offices, and the abuse of patronage jobs by Republicans .
33. 6 Post Office Department - Fourth Class Post Offices Closed 1953.  
Feb 19, 1953 - Dec 30, 1953.  
Contains correspondence concerning the closing of Post Offices and the rearrangement of rural and star routes in small rural Arkansas communities and the complaints about these changes; and concerning the withholding of a Czechoslovakian atlas from delivery on account of its being regarded as political propaganda by a Customs official.
- ov
34. 6 Post Office Department - Fourth Class Post Offices Closed 1954.  
Oct 5, 1953 - Dec 28, 1954.  
Contains correspondence concerning the closing of Post Offices and the rearrangement of rural and star routes in small Arkansas communities.
35. 6 Post Office Department - Fourth Class Post Offices Closed  
Jan-June, 1955 [sic]  
Nov 23, 1953 - June 23, 1955.  
Contains correspondence concerning the closing of Post Offices and the rearrangement of rural and star routes in small Arkansas communities.

## BCN 14. (Cont. . . .)

36. 6 Post Office Department - Fourth Class Post Offices Closed  
July-Dec. 1955 [sic]  
May 4, 1954 - Dec 23, 1955.  
Contains correspondence concerning the closing of Post Offices  
and the rearrangement of rural and star routes in small Arkansas  
communities.
37. 6b Post Office Buildings - New Construction - Postwar 1945-1951.  
Feb 8, 1945 - Nov 21, 1951.  
Contains correspondence concerning the eligibility of towns  
and cities for new Post Office buildings and, for Fayetteville,  
civic center and federal building.
38. 6b Post Office Buildings - New Construction - Postwar 1952-  
1956 [sic]  
Dec 20, 1951 - Aug 17, 1956.  
Contains correspondence concerning requests for new Post  
Office buildings, information about possible new federal buildings  
in Fayetteville by interested architectural-engineering firm, and  
complaint about an alleged feud between the General Services  
Administration and the Postmaster in Little Rock.

BCN 15. 6-c to 8-c 1945 to 1956 [Post Office, Health, Education and Welfare, and Interior Departments]

- F1 . 6-c [Rural and Star Routes - Post Office Miscellaneous Correspondence]  
Sep 19, 1944 - Dec 21, 1946.  
Contains miscellaneous correspondence pertaining to post office appointments, rural and star routes, etc.
2. 6-c [Rural and Star Routes - Post Office Miscellaneous Correspondence]  
Dec 15, 1945 - Aug 27, 1947.  
Contains miscellaneous correspondence pertaining to post office appointments, rural and star routes, etc.
- 3 . 6-c [Rural and Star Routes - Post Office Miscellaneous Correspondence]  
Jul 27, 1946 - Sep 19, 1951.  
Contains miscellaneous correspondence pertaining to post office appointments, jobs, rural and star routes, etc.
4. 6-c Rural and Star Routes 1952 [Post Office Miscellaneous Correspondence]  
Jan 4, 1952 - Dec 5, 1952.  
Miscellaneous correspondence pertaining to post office appointments, bids, jobs, rural and star routes.
- 5 . 6-c Rural and Star R[ou]t[e]s 1954 [sic] [Post Office Miscellaneous Correspondence]  
Jan 13, 1952 - Dec 21, 1954.  
Most of this correspondence pertains to complaints made by rural mail carriers that the Post Office Department was going to do away with Public Law 669 which allowed the carriers to renew their contracts without bidding. The carriers were afraid of being put out of work especially since many of them had money tied up in trucks and other equipment.
- ov
6. 6-c Rural and Star Routes 1955 [Post Office Miscellaneous Correspondence]  
Aug 12, 1955 - Dec 9, 1955.  
Contains a few miscellaneous letters concerning rural and star routes.

## BCN 15 . (Cont . . . .)

7. 6-c Rural Routes, 1955 [Post Office Miscellaneous Correspondence]  
Jan 1, 1955 - Aug 15, 1955.  
Miscellaneous correspondence pertaining to rural routes.
8. 6-c Rural and Star Routes 1956 [Post Office Miscellaneous Correspondence]  
Jan 18, 1956 - Dec 19, 1956.  
Miscellaneous correspondence pertaining to rural and star routes.
9. 6-d [General Regulations - Post Office Miscellaneous Correspondence]  
Mar 2, 1947 - Sep 22, 1949.  
Contains miscellaneous correspondence pertaining to postal matters.
10. 6-d [General Regulations - Post Office Miscellaneous Correspondence]  
Apr 11, 1949 - Aug 14, 1951.  
Miscellaneous correspondence pertaining to various postal matters.
11. 6-d General Regulations 1956 [sic] [Inquiries regarding regulations ]  
May 27, 1955 - Nov 18, 1956.  
Contains a few letters pertaining to claims with regard to postal operations.
12. 7 General [Navy Department - Miscellaneous Correspondence]  
Apr 7, 1943 - Mar 19, 1951.  
Contains miscellaneous correspondence pertaining to the Navy.
13. 7 Navy Department General 1952 [Miscellaneous Correspondence]  
Apr 2, 1952 - Nov 25, 1952.  
Contains announcement of Arkansas N.R.O.T.C. candidates, a memo on the Glenn L. Marten Company proposed financing and correspondence pertaining to the Navy financing research in marine biology at the University College of the West Indies, Jamaica.

## BCN 15. (Cont. . . .)

14. Department of Health, Education and Welfare 1956 [sic]  
[Miscellaneous Correspondence]  
May 3, 1952 - May 25, 1956.  
Contains miscellaneous material pertaining to foreign language education and some material pertaining to health.
15. Department of Health, Education and Welfare 1956 [sic]  
[Miscellaneous Correspondence]  
May 16, 1956 - Mar 22, 1957.  
The majority of this correspondence pertains to complaints and requests for an investigation as to why Dr. Francis Brennecke was fired from her position as Director of the crippled children's Division of the State Welfare Department.
- 16 . 7-a Office of Education 1956 [Form notices of granted federal aid to miscellaneous Arkansas schools]  
Mar 5, 1956 - Dec 20, 1956.
17. 7-b Public Health Service 1956 [Hospital or facilities establishment or progress]  
Apr 19, 1956 - Nov 9, 1956.  
Correspondence pertaining to requests for federal aid to hospitals, etc.
18. 7-c Food and Drug Administration 1956 [Case of Dr. Wilhelm Reich]  
Jul 26, 1956 - Aug 7, 1956.  
Pertains to the case of Dr. Wilhelm Reich convicted of a crime under the food and drug laws.
19. 7-d Social Security Administration 1956 [sic] [Application and benefit inquiries]  
Jul 1, 1955 - Dec 21, 1956.  
Correspondence pertaining to requests for information on Social Security benefits.
20. 7-e Children's Bureau 1956.  
May 25, 1956.  
Contains one telegram concerning the Children's Bureau.

## BCN 15. (Cont. ...)

21. Camden Ordnance Plant [Miscellaneous Correspondence]  
Jan 23, 1945 – Dec 18, 1951.  
Miscellaneous correspondence pertaining to the Camden  
ordnance plant and the Navy.
22. 7-a Camden Ordnance 1952 [sic] [Miscellaneous Cor-  
respondence]  
Dec 6, 1951 – Apr 10, 1952.  
Miscellaneous correspondence pertaining to the Camden  
ordnance plant.

BCN 16.     8-d through 9 - a [Southwestern Power Administration and  
Department of Agriculture]

- F1.     8-d     Southwestern Power Administration, 1952-54.  
           Mar 28, 1952 - Mar 1, 1954.  
           Contains a small amount of correspondence concerning contracts of the SPA to rural electric cooperatives and private companies and the SPA reorganization plan; with mention of the Small Business Administration office to be opened in Little Rock; and a report written by Walter Johnson and delivered by Dr. Martin McGuire, both on the Board of Foreign Scholarships, before the Senate Subcommittee on Overseas Information Programs concerning the Fulbright Program.
2.     8-d     Southwestern Power Administration, 1955.  
           Aug, 1955.  
           Contains only a mimeographed report labeled: Department of Interior/Southwestern Power Administration/Report of Progress/Tulsa, Oklahoma/August, 1955.
3.     8-d     Southwestern Power Administration, 1956.  
           Mar 27, 1956 - Aug 8, 1956.  
           Contains a copy of the Senate Public Works Appropriation Bill, 1957, and correspondence about replacing Bentonville, Arkansas, power transmission of Southwestern Gas and Electric Company with SPA lines.
4.     8-d     [Southwestern Power Administration]  
           Jul 15, 1949 - Nov 5, 1951.  
           Contains numerous letters complaining of "socialistic" tendencies of the SPA in duplicating privately owned power lines from Norfolk Dam to Essex, Missouri, as well as other correspondence on that subject and on the subject of contracts between SPA and private utility companies in Oklahoma and on the awarding of contracts to a construction firm not licensed in Arkansas for work to be done in Arkansas.

## BCN 16. (Cont. . . .)

5. Southwestern Power Administration (Fayetteville Site).  
Feb 7, 1945 - Jun 3, 1946.  
Contains correspondence concerning the possibility of moving administrative offices of the SPA from Tulsa to Fayetteville; the more efficient use of generators at Norfork Dam; the proposal of an Arkansas Valley Authority similar to TVA; the Beaver Dam Project; the extension of SPA lines to Russellville and Nimrod; and the numerous objections of businessmen and employees of private utility companies to unfair competition, impending socialism and maybe even communism and deterioration of the American Way of Life if Congress votes appropriations to the SPA.
6. Southwestern Power Administration, (Fayetteville Site),  
Feb 18, 1946 - Nov 22, 1946.  
Contains correspondence concerning the Congressional funding of the Southwestern Power Administration with considerable opposition from business men and some support from municipal officials and REA employees; and a map, portions of the Congressional Records, and many newspaper reprints concerning the issue of duplication of existing privately owned power lines by the SPA and gradual socialization of business.
7. Southwestern Power Administration, William R. Kavanaugh.  
Apr 28, 1945 - Sep 19, 1946.  
Contains clippings, maps, and correspondence concerning Congressional funding of SPA, mainly in opposition, especially by officials of private utilities.
8. 9 Agriculture, General, 1952 [sic]  
Oct 24, 1951 - Oct 13, 1952.  
Contains correspondence concerning soybeans as a cash crop in Arkansas; price support for short staple, as well as long staple, cotton; the removal of two employees from the Commodity Credit Corporation without a hearing; the possibility of a meat-extender, invented by a University of Arkansas professor, to be used in the National School Lunch Program and as an export to nutritionally backward countries; the Civil Service eligibility of eight Middlesex University veterinarian graduates; the need for poultry disease study; the possible bad effects of importing Mexican cattle; the 1952 drought in Arkansas and the need for cotton export prices to be stabilized during harvest.

## BCN 16. (Cont. ...)

9. 9 Agriculture, General, 1953 [sic]  
Oct 23, 1952 - Jul 10, 1953.  
Contains clippings, pamphlets, petitions, and correspondence about the 1952 drought and related problems with livestock and the availability of hay; low cattle prices; price supports for cottonseed meal; cotton acreage allowances; plant inspection abroad and quarantine; U.S.D.A. meat grading; projected food production in the U.S.; Italian cheese on the import control list; repayment of old seed and feed loans; reorganization of U.S.D.A.; and the school lunch program in Arkansas.
  
- ov  
10. 9 Agriculture, General, 1953 [sic]  
Jul 5, 1953 - Jan 4, 1954.  
Contains clippings, reports, pamphlets and correspondence pertaining to price supports for cattle growers; cotton allotments; emergency railway rates for feed shipments; drought; poisoning of vegetable gardens by 2-4D crop spray; Fulbright Investment Company's interest in the limestone cave near Johnson, Arkansas, for cold storage; loans for grain elevators; foreign trade policy; Soil Conservation Service; rice's being included in Food Aid Programs; loans for livestock replacement; complaint of preferential treatment for dairymen over cattlemen in drought relief; and a miscellany of agricultural matters.
  
11. 9 Agriculture Department, 1954 [sic]  
Sep 4, 1953 - Feb 15, 1954.  
Contains U.S.D.A. report on actions to alleviate hardships in 1953 disasters; U.S.D.A. "An Appraisal of Certain Central Cotton Markets with Respect to Suitability for Designation for Price Quotations," typed statement of C. Clyde Mitchell before the Joint Committee on the Economic Report, several newspaper clippings, and correspondence about soil testing and research; cotton loan reserves being placed in the Little Rock Branch of the Federal Reserve Bank; shipments of meal for livestock; federal licensing of a produce company; surplus butter being sold to the U.S.S.R.; price supports for broilers; the need for continuing the spot cotton market in Little Rock; the U.S. manganese shortage; the program to eradicate brucellosis; increased cotton acreage allowances; and, finally, an objection to the Forest Service of a TV transmitter being built on Mt. Pisgah.

## BCN 16. (Cont. ...)

12. 9 Agriculture Department, 1954 [sic]  
May 22, 1953 - Jul 14, 1954.  
Contains reports, clippings, and correspondence concerning Fulbright's political use of U.S.D.A. Bulletin No. G-35, "Ways to Cook Rabbit"; government financing of new grain elevators; removal of Arkansas members from the Staple Cotton Cooperative of Greenwood, Mississippi; Little Rock as a spot cotton market; price supports for cottonseed, soy beans, and dairy products; cotton acreage allotments; reseeding of drought-burnt pastures; farm loans; surplus butter; poultry inspection and grading; milk marketing areas; rice trade and sugar trade with Cuba; and the making of the Secretary of Agriculture a member of the National Advisory Council on International Monetary and Financial Problems.
  
13. 9 Agriculture Department, 1954.  
Jul 14, 1954 - Sep 9, 1954.  
Contains a report on the interdependence of the soybean and cottonseed industry, an address in the Senate by Edward John Thye on farm legislation, and correspondence about drought-ruined crops and pastures, starving livestock, cover crops; keeping old Arkansas members in the Staple Cotton Cooperative of Greenwood, Mississippi; tax advantage cooperatives enjoy as opposed to private companies; castor bean production; diverted acreage; rice storage; Japanese rice crop; export control of soybeans; farm loans; moving cotton classing office from Little Rock to Pine Bluff; failing cottonseed market; and the use of crop surpluses to finance the (Fulbright) exchange of persons program.
  
14. 9 Agriculture Department, 1954.  
Apr 9, 1954 - Dec 30, 1954.  
Contains correspondence about the possible move of the cotton classing office from Little Rock to Pine Bluff, drought relief, surplus food, the Fulbright speech in West Memphis on steam generating plants of the Atomic Energy Commission, a letter the Senator wrote to the President, feed crops, funds available from the Agricultural Stabilization and Conservation Committee for fall (1954) seeding, Certificates of Interest of the Commodity Credit Corporation, subsidy on grains for livestock, brucellosis eradication, farm machinery credit, use of agricultural lime, rice acreage, land use projects' being transferred from federal to other public agencies, and the purchase of broilers and fryers by the Quartermaster Corps.

## BCN 16. (Cont. ...)

15. 9 Department of Agriculture, 1955 [sic]  
Dec 28, 1954 - Dec 27, 1955.  
Contains correspondence about drought relief; subsidies for sugar; the cotton export market; cotton acreage allotments; milk marketing orders; rice storage; the declined price of cottonseed; excelsior products and marketing; compulsory poultry inspection; the eradication of Bangs disease (brucellosis); grass seed for winter pasture; a "timber bank", comparable to the land bank; help for the small, as opposed to corporate or absentee, farmer; price support for dairy cream; the need for duplicate classing cards for cotton; and yearbook of Agriculture allotments.
16. 9 Department of Agriculture, 1955 [sic]  
Oct 6, 1954 - Mar 3, 1955.  
Contains correspondence about the drought relief program, cotton acreage allotments, rice loans and allotments, dislocation of tenant farmers due to acreage allotment policy, the depressed poultry market, reduction of personnel in the Soil Conservation Program, re-classification of types of soybeans, and the possibility of growing wild rice commercially in Arkansas.
17. 9 Department of Agriculture, 1955.  
Feb 3, 1955 - Apr 27, 1955.  
Contains correspondence about drought relief, rice acreage allotments, the sale of rice surpluses, the use of rice in school lunch programs, cotton allotments, the exchange of cotton held by the Commodity Credit Corporation, the reclassification of soybeans, the distribution of surpluses to needy nations, land utilization projects in Arkansas, and the purchase of lumber from national forests.
18. 9 Department of Agriculture, 1955.  
Apr 7, 1955 - Aug 17, 1955.  
Contains correspondence about acreage allotments for rice and cotton, an attempt to transfer rice acreage allotted in one county to another county, storage of government owned rough rice, payments for winter legume seeding, loan bulletins for wheat and oats and barley, storage and handling of oats, a soil and water conservation loan, flood control assistance for the War Eagle Creek Watershed, cost sharing of cover crops and green manure, disposal of soybeans under Public Law 480 (83d Congress), the possibility of diseased animals being moved into Arkansas, the marketing of diseased poultry, seed laws, and a resolution by municipalities and REA cooperatives concerning the Southwestern Power Administration's non-fulfillment of its legal functions.

## BCN 16. (Cont. ...)

19. 9 Department of Agriculture, 1956 [sic]  
Dec 13, 1954 - Feb 10, 1956.  
Contains correspondence about the employment policies and benefits of county Agricultural Stabilization and Conservation Committees, the decrease in upland cotton allotments, the need for frozen food regulations and information, farm loans, milk price increases, surplus grains to feed waterfowl, warehousing surplus commodities, pilot counties in the Rural Development Program, export subsidies for animal hides, and the brucellosis eradication program in Arkansas.
  
20. 9 Department of Agriculture, 1956 [sic]  
Jun 13, 1955 - Apr 28, 1956.  
Contains the senator's answer to a constituent's charge that he is insensitive to farm problems; a memorandum of a meeting among the senator, Senator McClellan, Secretary Ezra Taft Benson, and Assistant Secretary Earl L. Butz; the announcement of 1956 support levels for cotton; and correspondence about executive personnel in the International Cooperation Administration, the transfer of a veterinarian in the animal disease eradication program, Mexican farm labor, the cotton export program, a soybean promotion connected with the Osaka Trade Fair in Japan, farm credit, import quotas for textiles, and - a non-agricultural matter - the complaint of an electrical contracting firm about a low bid on a government contract.
  
- ov  
21. 9 Department of Agriculture, 1956.  
Apr 25, 1956 - Aug 13, 1956.  
Contains a complaint against the cotton pricing policy of Agriculture Secretary Benson; an explanation of the 1956 Acreage Reserve Program; a checklist of items for a farm speech; various U.S.D.A. newsletters; and correspondence about rice loans, the 2 year freeze on rice acreage, a suggestion to use Commodity Credit Corporation grain surpluses to subsidize the grain export trade, the University of Arkansas as the possible location for the new animal disease laboratory, the movement and storage of oats in Morrilton, use of surplus food for the school lunch program, the possible shortage of steel baling ties caused by labor disputes and the potential catastrophe for the cotton interests, and - unrelated to agriculture - a request for an appointment as postmaster of Cash, Arkansas.

## BCN 16. (Cont. ...)

22. 9 Department of Agriculture, 1956.  
Jan 11, 1956 - Dec 10, 1956.  
Contains miscellaneous agriculture-related press clippings and mimeographed reports and press releases, including the Senator's demand that Secretary Benson reconsider designating some western Arkansas counties as needing drought relief; resolutions of the Region VIII meeting of the National Rural Electric Cooperative; the 1956 Report of the Rural Development Program; and correspondence about crop insurance, a delayed investigation of storage irregularities, a study of the operating policies and internal organization of the Arkansas Farmers Association, the pink bollworm program, a shortage of soft red winter wheat due to reduced acreage allotment, the Soil Bank Acreage Conservation program, low broiler prices, the Ozark Milk Marketing District, need for funds for soil conservation work, national marketing quotas for cotton and rice, hamburger purchases for the school lunch program, surplus food for needy nations and for the welfare program, voter eligibility on the cotton marketing quota referenda, cotton allegedly mis-classed as spotted, and Arkansas opposition to a two-price plan for rice in 1957.
23. 9 Agriculture - Drought, 1954.  
Jul 13, 1954 - Aug 23, 1954.  
Contains reports and correspondence from politicians, businessmen, and farmers about feed loans, emergency drought relief, the effect of the drought on milk-producers, food stamp plan for surplus commodities, debt moratorium for farmers, the rainfall shortage from January 1950 to July 1954, and two unrelated matters: Fulbright's appointment as a delegate to the United Nations and the McCarthy issue and Fulbright's stand on funding the sub-committee and censure.
24. 9 Agriculture - Drought, 1954.  
Aug 6, 1954 - Aug 31, 1954.  
Contains a petition of farmers, dairymen, and cattlemen affected by the drought; a resolution about the West Memphis power plant; and correspondence touching on McCarthyism, the tidelands oil dispute, atomic power, the butter surplus, farm-to-market road aid, irrigation aid, and dealing more directly with the inadequacy of drought relief, inability to buy feed, the feed crop failure, co-operative marketing, a food stamp plan, the flexible price support plan, a sheep and wool bill, rainfall, and the distribution of commodities in drought disaster areas.

## BCN 16. (Cont. ...)

25. 9 Agriculture - Drought, 1954.  
Aug 29, 1954 - Oct 18, 1954.  
Contains notes for speech on the drought; reports on the emergency feed grain program and the features of the 1954 U.S.D.A. Drought Program; and correspondence about cotton crop, grain, and pasture failures, the need for funds for fall seeding, the need for a refinancing program for small farmers, and the need for public works projects to provide jobs for distressed farmers.
26. Drought Aid, 1953.  
Jun 25, 1953 - Dec 8, 1953.  
Contains correspondence from counties in Arkansas needing drought relief, a few of the issues touched on being the need for a debt moratorium for farmers, reduced equity caused by declined cattle prices and the resultant restricted borrowing power of farmers, the feed and cash crop failure, the need for reduced freight rates for emergency feed movement, the necessity to feed cattle earlier than in better years, a pilot program for watershed protection and flood prevention and soil and water conservation; there are several lists of drought-affected Arkansas counties.
27. 9-a Rural Electrification Administration, 1952.  
Jan 22, 1952 - Nov 28, 1952.  
Contains correspondence applying for REA service and complaining about the wait; one correspondent disapproves of the way a cooperative's employee was dismissed by a new manager.
28. 9-a Rural Electrification Administration, 1953-1955 [sic]  
Dec 16, 1949 - Jul 22, 1955.  
Contains a report on Table Rock Dam and a report on a court case involving 10 Missouri electric companies and 6 cooperatives and correspondence about Republican policy toward rural electrification and multi-purpose dams, an effort to organize a rural telephone cooperative in Clay County, deposit requirements for rural telephones, raising equity from sources other than deposits to alleviate potential rural subscribers of cooperative telephone service, increased rates to cooperatives from power companies, a steam generating plant proposed for Ozark, and the increase in users but decrease in rural users by Arkansas Power and Light Company.

## BCN 16. (Cont. ...)

29. 9-a Rural Electrification Administration, 1955.  
Sep 21, 1955 - Dec 13, 1955.  
Contains correspondence concerning a complaint of poor service from a rural REA customer and background papers on the REA program.
30. 9-a Rural Electrification Administration, 1956 [sic]  
Sep 10, 1955 - May 12, 1955.  
Contains a small amount of correspondence concerning individuals attempting to get electricity to their farms and several reports and memoranda concerning House and Senate joint hearings on the South-western Power Administration and TVA, and a report to all congressmen from the National Rural Electric Cooperative Association.
31. Agriculture Department - Sugar Import Quotas, etc.  
Dec 23, 1948 - Oct 31, 1949.  
Contains some correspondence and numerous bulletins and reports on the 1949 sugar requirements, deficiencies from quota countries, the world market, and the needs of soft drink companies and other consumers of sugar.
32. Agriculture Department - Sugar Import Quotas, etc.  
Nov 15, 1949 - Dec 30, 1949.  
Contains correspondence, reports, and pamphlets arguing for and against the repeal of the Sugar Act of 1948, in effect cheapening sugar for the soft drink industry and other consumers or protecting the sugar growers by making quotas short, therefore expensive.
33. Agriculture Department - Sugar Import Quotas, etc.  
Oct 13, 1949 - Jan 25, 1951.  
Contains correspondence, reports, bulletins and the rough draft of a letter to the President concerning changes to the Sugar Act of 1948.

BCN 17. 1945-1956 9-b - 10 Gen[eral] [Farmers Home  
Administration and Commerce Department]

- F1. 9-b [Farmers Home Administration - Miscellaneous Correspondence] 1946-[19]47.  
Aug 5, 1946 - May 29, 1947.  
Contains correspondence pertaining to the Farmers Home Administration in Arkansas, the selection of a director of the FHA, employment positions, and the 1948 FHA budget for Arkansas.
2. 9-b [Farmers Home Administration - Miscellaneous Correspondence] 1946-[19]49.  
May 29, 1947 - Jan 28, 1949.  
Contains correspondence pertaining to criticism of the FHA director, J.V. Highfill, for job discrimination against veterans, the subsequent investigation and clearing of all charges; correspondence pertaining to FHA loans with particular cases and the FHA. annual report for 1947-1948.
- ov
3. 9-b [Farmers Home Administration - Miscellaneous Correspondence] 1946-[19]49.  
Jan 10, 1949 - Oct 22, 1949.  
Miscellaneous correspondence pertaining primarily to various requests for an FHA loan to purchase or mortgage farms.
4. 9-b Farmers Home Administration 1952 [Miscellaneous correspondence dealing primarily with farm loans]  
Feb 1, 1952 - Nov 29, 1952.  
Correspondence pertaining to regular FHA loans and to disaster loans to those areas designated as such due to natural (weather) disasters.
5. 9-b Farmers Home Administration 1953-[19] 55 [Miscellaneous Correspondence dealing primarily with farm loans]  
Feb 4, 1953 - Jul 18, 1955.  
Correspondence pertaining primarily to individual requests, inquiries, complaints, concerning FHA loans.

## BCN 17. (Cont. ...)

6. 9-b Farmers Home Administration 1955 [Miscellaneous Correspondence dealing primarily with soil and water conservation loans]  
May 9, 1955 - Dec 29, 1955.  
Correspondence pertaining to requests and inquiries about soil and water conservation loans from the FHA.
7. 9-b Farmers Home Administration 1956 [sic] [Correspondence dealing with farm loans]  
Nov 9, 1955 - Dec 26, 1956.  
Correspondence pertaining to inquiries about FHA loans.
8. 9-b [Farmers Home Administration] Disaster loans to tornado victims. General material on the tornado. 1952 [sic]  
Aug 3, 1951 - Apr 14, 1952.  
Contain correspondence pertaining to disaster loans for Arkansas necessitated by a tornado in 1952.
9. Farmers Home Administration - [Jester] Virgil Highfill, Administrator [Miscellaneous Correspondence]  
Jan 3, 1949 - Dec 11, 1951.  
Contains miscellaneous correspondence pertaining primarily to FHA loans for damaged crops and weather disaster areas.
10. Agriculture - Farm Security Administration, Rehabilitation, etc. [Miscellaneous Correspondence]  
Feb 17, 1945 - Oct 5, [1946]  
Contains correspondence pertaining to the Farm Security Administration, and the purchase of government-owned land for farming.
11. Pavia, George - Chicken Fats, etc. [Theory for chicken fat utilization]  
Jul 3, 1945 - Oct 23, 1945.  
Contains correspondence pertaining to a process discovered by George Pavia which could turn excess chicken fats into usable by-products.

## BCN 17. (Cont. ...)

12. 9-c [Forest Service - Miscellaneous Correspondence]  
Nov 25, 1949 - Dec 21, 1951.  
Contains correspondence pertaining to oak wilt and fungus blight in Arkansas, as well as to timber land, the Ozark national forest and to forestry in general in Arkansas.
13. 9-c Forest Service 1952 [sic] - [19] 55 [Miscellaneous Correspondence]  
Nov 10, 1951 - Sep 2, 1955.  
Contains general correspondence pertaining to forestry and improvement of forest recreation areas in Arkansas.
14. 9-c Forest Service 1955 [Miscellaneous inquiries and explanations]  
Jan 24, 1955 - Oct 7, 1955.  
Correspondence pertaining to the inquiry by Rev. James Workman as to why his summer home on Mt. Magazine was not renewed by the Dept. of Agriculture.
15. 9-c Forest Service 1956 [sic] [Miscellaneous Correspondence]  
Sep 26, 1952 - Oct 9, 1956.  
Contains miscellaneous correspondence pertaining to various forest activities.
16. Personal - Mays, Ed [Correspondence concerning sale of Mays' Manufacturing Company to U.S. Forest Service]  
May 25, 1942 - Sep 13, 1947.  
Contains correspondence pertaining to attempts by E. Mays to have the U.S. government release an option they held on 3300 acres of Mays' land which the U.S. eventually did.
17. 9-d [Extension Service - Miscellaneous Correspondence]  
Aug 18, 1946 - Mar 3, 1952.  
Contains miscellaneous correspondence pertaining to farming and farming publications.

## BCN 17. (Cont. . . .)

18. 9-e-1 [Farm Credit Administration - Miscellaneous Correspondence]  
Jan 10, 1946 - May 15, 1950.  
Contains miscellaneous correspondence dealing primarily with the Federal Land Bank.
19. 9-e Agricultural Stabilization and Conservation Committees 1956 [sic] [Miscellaneous inquiries and explanations]  
Jul 20, 1955 - May 8, 1957.  
Contains miscellaneous correspondence pertaining to acreage allotment, drought relief assistance, etc.
20. 9-f [Agricultural Research Administration - Miscellaneous Correspondence]  
May 24, 1946 - Feb 24, 1951.  
Contains various miscellaneous correspondence pertaining to agriculture.
21. 9-f Agricultural Research Administration 1955 [sic] [Inquiries into duties paid by M.F. Young]  
Apr 15, 1949 - Apr 18, 1952.  
Brief correspondence concerning import duties on nutria paid by M.F. Young.
22. 9-f Agricultural Research Admin[istration] 1956 [Miscellaneous Correspondence]  
Jun 22, 1956 - Nov 8, 1956.  
Miscellaneous correspondence pertaining to agriculture.
23. Sawfly Infestation of Pine [Miscellaneous Information and Correspondence]  
Feb 26, 1946 - Feb 28, 1949.  
Contains various information and correspondence pertaining to the Sawfly infestation which struck Arkansas pine during the late 1940's.
24. 9-g Soil Conservation Service 1952 [sic] [Miscellaneous Correspondence]  
Nov 9, 1951 - Oct 10, 1952.  
Contains various miscellaneous correspondence pertaining to the Soil Conservation Service.

## BCN 17. (Cont. . . .)

25. 9-g Soil Conservation Service 1953 - [19] 55 [Acknowledgement of district progress reports or publications and other miscellaneous correspondence]  
Jan 26, 1953 - Jan 31, 1955.  
Contains miscellaneous correspondence as well as annual reports from county soil conservation districts.
26. 9-g Soil Conservation Service 1955 [Acknowledgement of district progress reports or publications and other miscellaneous correspondence]  
Feb 14, 1955 - Jun 1, 1955.  
Contains miscellaneous correspondence as well as annual reports from various county soil districts.
27. 9-g Soil Conservation Service 1955 [Miscellaneous Correspondence]  
Sep 23, 1955 - Nov 9, 1955.  
Contains two letters pertaining to Italian grass seed and the Washington County Flood Prevention Association.
28. 9-g Soil Conservation Service 1956 [sic] [District project reports and other publications]  
Dec 5, 1955 - Feb 16, 1956.  
Contains annual district project reports from various Arkansas counties.
29. 9-g Soil Conservation Service 1956 [sic] [District Progress Reports and other publications]  
Dec 31, 1955 - Oct 5, 1956.  
Contains annual district progress reports from various Arkansas counties.
30. 9-h [Production and Marketing Administration - Miscellaneous correspondence and other material] 1950-[19]51 [sic]  
May 28, 1949 - Feb 28, 1950.  
Contains miscellaneous correspondence pertaining to the Production and Marketing Administration of the U.S.D.A.

BCN 17. (Cont. . . .)

31. 9-h [Production and Marketing Administration - Miscellaneous Correspondence and other material] 1950 [sic] - [19]51.  
Oct 17, 1949 - Jan 24, 1951.  
Miscellaneous correspondence pertaining to the Production and Marketing Administration of U.S.D.A.
- ov
32. 9-h [Production and Marketing Administration - Miscellaneous Correspondence and other material] 1950-[19]51.  
Dec 8, 1950 - Dec 18, 1951.  
Contains miscellaneous correspondence pertaining to various aspects of the PMA such as price controls and acreage allotments.
- ov
33. 9-h Production and Marketing Adm[inistration] 1952 [sic]  
[Miscellaneous Correspondence and other material]  
Jan 29, 1951 - May 30, 1952.  
Contains miscellaneous correspondence pertaining to the PMA. Some correspondence also pertains to the milk marketing area of Northwest Arkansas.
34. 9-h Production and Marketing Adm[inistration] 1952  
[Miscellaneous Correspondence and other material]  
Jun 10, 1952 - Dec 19, 1952.  
Contains miscellaneous correspondence pertaining to the PMA whose duties were to maintain acreage allotment and price controls for farmers.
35. 9-h Production and Marketing Adm[inistration] 1953-[19]55  
[Miscellaneous Inquiries and Replies]  
Jan 8, 1953 - Sep 2, 1955.  
Miscellaneous correspondence pertaining to the PMA. This folder also has correspondence pertaining to milk marketing in Northwest Arkansas.
36. 9-h Domestic and Foreign Marketing Operations 1956 [sic]  
[Hot Springs Soil Conservation Annual Report 1955]  
Dec 31, 1955 - Feb 3, 1956.  
Contains the Lake Hamilton Soil Conservation District Report for 1955.

## BCN 17. (Cont. . . .)

37. 9-i Commodity Credit Corporation 1955 [Complaint against sale of "rough" rice on foreign market]  
Dec 1, 1955 - Dec 5, 1955.  
Contains a letter from Smith Rice Mill of DeWitt protesting the supposed sale of rough rice for export.
38. 9-i Commodity Credit Corporation 1956 [sic]  
[Correspondence concerning commodity sales or complaints]  
Nov 30, 1955 - Jul 5, 1956.  
Correspondence pertaining to complaints concerning the sale of commodities for exports.
39. 10 Department of Commerce [Miscellaneous Correspondence]  
Jan 17, 1951 - Nov 12, 1955.  
Contains correspondence pertaining to a request for financial aid to establish a business which would import kangaroo meat for sale. Also requests for some information on certain aspects of organized crime investigated by the Estes Kefauver Committee. There is also an inquiry as to why the price of newsprint has increased.
40. 10 Department of Commerce General [Correspondence]  
1952 [sic]  
Apr 9, 1951 - Aug 19, 1953.  
General correspondence pertaining primarily to requests, inquiries or information about disposition of federal loans for schools, churches and other public buildings.
41. 10 Department of Commerce General [Correspondence]  
1953 [sic]  
Feb 9, 1953 - May 3, 1954.  
Contains miscellaneous correspondence pertaining to various aspects of the Department of Commerce.
42. 10 Department of Commerce 1954-[19]55 [sic]  
[Miscellaneous Correspondence]  
Apr 8, 1953 - Sep 7, 1955.  
Contains miscellaneous correspondence pertaining to trade, import and export quantities, export control of technical data, etc.

## BCN 17. (Cont. . . .)

43. 10 Department of Commerce 1956 [sic]  
[Miscellaneous Correspondence]  
Dec 19, 1955 - Jun 11, 1956.  
Contains miscellaneous correspondence pertaining to export duties and federally financed airport construction.
44. 10 National Production Authority [Miscellaneous Correspondence and other material]  
Mar 27, 1947 - Jul 20, 1948.  
Contains miscellaneous correspondence pertaining to such matters as protests about sending fertilizer to Finland, controls over tin, requests for information about exporting goods from foreign countries, etc.
45. 10 National Production Authority [Miscellaneous Correspondence and other material]  
Aug 26, 1948 - Dec 28, 1950.  
Contains miscellaneous correspondence pertaining primarily to the National Production Authority.
46. 10 National Production Authority [Miscellaneous Correspondence and other material]  
Dec 13, 1950 - May 19, 1951.  
Contains miscellaneous correspondence pertaining to production quotas, the difficulty in obtaining building supplies and similar other materials.
47. 10 National Production Authority [Miscellaneous Correspondence and other materials]  
May 8, 1951 - Dec 27, 1951.  
Contains miscellaneous correspondence pertaining to shortages of materials, quotas, etc.
48. [Commerce Department - Miscellaneous Correspondence and other material]  
Feb 21, 1945 - Jun 26, 1946.  
Contains miscellaneous correspondence pertaining to the Commerce Department.

BCN 18. 10a-11 General [Federal Administration, Departments, and Bureaus]

F1. 10-a Civil Aeronautics Administration and Board, 1952 [sic]  
Oct. 1951 - Oct 8, 1952.  
Contains correspondence about the unsuitability of the national minimum wage for encouraging industry in the South, the commission earnings formula of the Wage Stabilization Board, getting Westinghouse to put a plant at Hot Springs, the transportation of British West Indies farm workers by air, the falling cost of air mail service, and attempts to get commercial airline service for several Arkansas cities (Camden, Fayetteville, Magnolia, Pine Bluff, Stuttgart, and Texarkana); and a statement prepared for Senator Fulbright to present to CAB.

ov

2. 10-a Civil Aeronautics Administration and Board, 1953 [sic]  
Sep 30, 1952 - Jan 5, 1954.  
Contains reports and correspondence about Fayetteville's application for commercial air service, Central Airline's attempt to serve Arkansas cities (Camden, Magnolia, Hot Springs, El Dorado, Helena-West Helena, Pine Bluff, Little Rock, Stuttgart, Texarkana, Fayetteville, and Fort Smith), an inaugural flight from Philadelphia to London, free air travel (air scholarships) for exchange students, and government control of entry into and development of trunk line air transportation.

3. 10-a Civil Aeronautics Administration and Board, 1954 [sic]  
Mar 15, 1954 - Aug 3, 1955.  
Contains reports and correspondence about the loss of CAA facilities at Drake Field (Fayetteville), Walnut Ridge, and El Dorado; the elimination of Jonesboro from Ozark Airlines flights; a new way to ship live goldfish; "Grandfather Certificates" for local service airlines; registration of aircraft with the CAA; airport projects receiving federal aid, including a list; the Love Field - Amon Carter Field controversy; airlines chartered to supplement military transport; airline lobbying; feeder airlines; qualifications for giving medical examinations for the CAA; age requirements for soloing; Pan American postal subsidies; illegally scheduled service by North American Airlines; a proposal for changing the Warsaw Convention as it pertains to civil aviation; and various appreciations.

## BCN 18 (Cont. . . . )

4. 10-a Civil Aeronautics Administration and Board, 1955.  
Sep 26, 1955 - Dec 28, 1955.  
Contains correspondence about additional flights for Delta Airlines; application to CAB for exemptions by Central Airlines, Ozark Airlines, and the City of Fort Smith; the replacement of Josh Lee on the CAB by G. Joseph Minetti; the resignation of Frederick Billings Lee from the CAA; and Supplemental Air Carriers.
5. 10-a Civil Aeronautics Administration and Board, 1956.  
Feb 9, 1956 - Nov 8, 1956.  
Contains the Tenth Annual Report (1955) of operations under the Federal Airport Act; an Application for Amendment of Certificate of Public Convenience and Necessity, by Central Airlines; and correspondence about the award of new routes to Central Airlines; regulation of the airline business; airport projects of the Federal-aid Airport Program, including funds made available for the airports at Crossett and Monticello; air traffic control; and the possibility of curtailment of private flying.
6. 10-a [Civil Aeronautics Administration, Miscellaneous Correspondence]  
Jan 8, 1945 - Dec 8, 1947.  
Contains correspondence concerning permission for commercial airlines to use Adams Field, Little Rock; disturbances caused by low-flying aircraft; the establishment of a radio beacon in Northwest Arkansas; physical standards for civilian pilots; maps of air routes; air mail pickup service in Central, Western, and Northwest Arkansas; physical examination forms; operation of non-scheduled air freight service; availability of pilot jobs in foreign countries; the lack of domestic air passenger service; the possible use of surplus military aircraft for student tours; projects in Arkansas in the 1947 airport program; and the need for emergency permission for the Chicago and Southern Airlines to serve Hot Springs, Arkansas.

## BCN 18. (Cont. . . .)

7. 10-a [Civil Aeronautics Administration, Miscellaneous Correspondence]  
 Apr 11, 1947 - May 18, 1949.  
 Contains correspondence about a revoked pilot license; a VHF transmitter and weather reporting station to be at Fayetteville or Rogers; bids for airport construction at Fort Smith; approval of Jonesboro for airline service; CAA operation of the control tower at Hot Springs; the application of Braniff International Airways to serve Cuba and Latin America; withdrawal of government owned fire fighting equipment from Adams Field, Little Rock; damage claims against the federal government by the City of Little Rock; Federal-aid Airport Program, 1949; the award of feeder airline routes; liens on aircraft mortgaged to McIlroy Bank, Fayetteville; change of Senate rules; and new air service at Pine Bluff.

ov

8. 10-a [Civil Aeronautics Administration, Miscellaneous Correspondence]  
 Jun 8, 1949 - Feb 28, 1950.  
 Contains documents and correspondence about petitions to CAB to secure airline service for Jonesboro and Fayetteville; Federal-aid Airport Project money for Walnut Ridge and Bentonville; installation of low frequency voice communication capability at the Fayetteville communication station; "Air Star Routes"; transfer to a private company of a railway spur provided by the federal government; reclassification of Air Traffic Controller positions; proposed radio and weather station at Flippin; air transport service for Batesville; provisions for weather forecasts for Fayetteville radio stations; the purchase of American Overseas Airlines by Pan American World Airways and the CAB hearing.

ov

9. 10-a [Civil Aeronautics Administration, Miscellaneous Correspondence]  
 May 10, 1950 - Oct 23, 1951.  
 Contains the draft of a letter about the Little Rock dispute with the War Assets Administration over liability for damage at Adams Field and correspondence about the National Airport Plan; attempts to get airline service for Jonesboro, Texarkana, Hot Springs, Fayetteville, Pine Bluff, and Stuttgart; a controversy over the ownership of a plane; delays in schools under construction; new

ov

9. 10-a [Civil Aeronautics Administration, Miscellaneous Correspondence] (Cont.)

procedural regulations governing CAB; first, curtailment of a low-cost student charter flight service, then modification of the ruling by CAB; efficiency of non-subsidized air service over subsidized; falsification of landing reports to get federal airport funds; reactivation of Marine Air Facility at Walnut Ridge; possible relocation of Walnut Ridge Communication Station to Jonesboro; air cargo freight rates and air express freight rates, as applied to the transport of live fish.

10. 10-a Special - Weather Stations, 1954 [sic]  
Dec 1, 1953 - Jul 17, 1954.  
Contains correspondence about a Fort Smith independent non-scheduled air carrier; the dedication of a Freedom Shrine at Fayetteville High School; the renewal case of Trans-Texas Airways for service to Pine Bluff; service for Fort Smith by Central Airlines; and, mostly, the deactivation of CAA weather and communication stations in El Dorado, Walnut Ridge, Pine Bluff, and, especially, Fayetteville.
11. A Brief of Testimony and Exhibits Supporting the Fact that the Fayetteville, Arkansas INSAC is in the Public Interest.  
Feb 28, 1954.  
Contains the brief of the arguments by the City of Fayetteville and the Fayetteville Chamber of Commerce before the CAA in favor of retaining the weather and voice communication station at Drake Field, Fayetteville, Arkansas.
12. Civil Aeronautics Administration, Fayetteville Communications Station.  
Feb 28, 1948 - Dec 23, 1948.  
Contains a brief of arguments from the City of Fayetteville and its Chamber of Commerce for promoting the CAA weather and communication station at Drake Field and correspondence about the station, the objections of interest groups in Rogers and other Washington County towns, the cancelation of scheduled public hearings, the use of unauthorized signatures on petitioning telegrams, and the general political climate generated by the controversy.

BCN 18. (Cont. . . .)

13. South Central Air Transport, Inc., Mississippi Valley Case, Report on Board's Decision.  
Mar 17, 1947 - Jun 10, 1948.  
Contains a memorandum on South Central Air Transport, Inc., and correspondence about the need for adequate air service in the Ozark region; the competition among nine companies for Mississippi Valley (and Ozark region) air service; objections to the Civil Aeronautics Board decision in the case; and the need for a re-hearing.
14. 10-a-I Central Airlines, 1956.  
Aug 21, 1956.  
Contains a two-page news release about two new department heads at Central Airlines.
15. 10-a-I Central Airlines, [Air Service to Northwest Arkansas]  
Mar 19, 1953 - Aug 9, 1954.  
Contains a brief of Central Airlines to the CAB examiner, the applications of Fort Smith and Fayetteville for air service, and correspondence concerning these matters and the CAB hearings for each of these cities, and about the retention of the CAA communications and weather station at Fayetteville.
- ov
16. 10-a-I Central Airlines, [Air Service to Northwest Arkansas]  
Feb 18, 1955 - Jul 11, 1955.  
Contains applications to CAB for exemption orders from the City of Fort Smith and Central Airlines so as to provide air service for that city by that airline, a brief to CAB in support of the City of Harrison, and correspondence about these matters and feeder service in Arkansas, passenger volume in Fayetteville, and legislation making permanent the Certificates of local service airlines.
17. 10-a-I Central Airlines, [Air Service to Northwest Arkansas]  
Jul 13, 1955 - Dec 5, 1955.  
Contains an Index to Information on Airmail Subsidies Requested by CAB (1954); news releases by Central Airlines and by Senator Fulbright, and statements by the Senator, about the new air routes affecting Arkansas; and correspondence about the improvement of the Harrison airport, the denial of the exemption applications of the City of Fort Smith and Central and Ozark airlines, the need for improved air service in Arkansas, and the granting by CAB of Central Airline service to Harrison.

## BCN 18. (Cont. ...)

18. 10-a-1 [Miscellaneous Correspondence, Civil Aeronautics Administration]  
Mar 5, 1945 - Jan 15, 1952.  
Contains correspondence about suitability for municipal use of the Pocahontas Auxiliary Air Force Base and the possibility of its purchase from the U.S. government; financial aid for the airport at Harrison; financial aid for private airport development; an intrastate air carrier risking its permit by advertising connections with interstate carriers; the development of Fort Smith Municipal Airport; the reduction of hours the CAA operates the control tower at Adams Field, Little Rock; route proposals to CAB, including Jonesboro, Blytheville, Helena, Monticello, Batesville, Russellville, and Fayetteville; a military airfield being given to Blytheville; having a CAA control operator assigned to Hot Springs; the validity of the Bartow patent on runway lighting systems and delays in installation of lights at Fort Smith; railway service provided for the Walnut Ridge air base; and claims against the federal government related to Adams Field.
19. Blytheville Airport Projects, Blytheville Development Association.  
Mar 16, 1945 - Apr 25, 1945.  
Contains correspondence about the City of Blytheville's plans for the use of the Army Air Field after the war and procedures for its acquisition, the development of new industry in Blytheville and the rest of Arkansas, and a plant for processing scrap rubber and scrap aluminum.
20. 10-b Bureau of Census, 1952 [sic]  
Oct 3, 1951 - Sep 25, 1952.  
Contains requests for a birth certificate, housing information about the City of Magnolia and Columbia to be used in court, and various publications of the Bureau.
21. 10-b Bureau of Census, 1954 [sic]  
Jan 29, 1953 - Dec 16, 1954.  
Contains an invitation to speak at the Democratic Central Committee in Tulsa (declined), a request for information about the patent procedure for a perfected variable speed pulley, a request for information about re-refined oil with a view toward building a refinery in Fort Smith, a referral to National Archives for 1860 census information, and requests for records and publications of the Census Bureau.

## BCN 18. (Cont. ...)

22. 10-b Bureau of Census, 1955.  
Apr 30, 1955 - Nov 28, 1955.  
Contains correspondence requesting a search of census records and some agricultural statistics, and suggesting the classification of Texarkana as a single city for census purposes.
23. 10-b Bureau of Census, 1956.  
Jan 5, 1956 - Sep 29, 1956.  
Contains correspondence about the 1954 Business Census of Arkansas and the report on retail trade in the state, and about supporting the construction of Beaver Dam.
24. 10-b [Bureau of Census, Miscellaneous Correspondence]  
Feb 3, 1945 - Feb 19, 1948.  
Contains a variety of reports on agricultural economy, and requests for reports, and correspondence about special censuses for Jacksonville, Fayetteville, and Hot Springs; census figures for Hot Springs County and Malvern; 1944 agricultural production and 1945 animal inventory; population data and per capita income for Arkansas, Louisiana, Missouri, Oklahoma, and Texas; the first rank status of Mississippi County in national cotton acreage; the contract for a cotton statistics collector; the low price of stamp embossed envelopes sold by the Post Office Department; the nuisance to small businesses of numerous government forms; a report on farm mortgage indebtedness; phosphate production; and the availability and accuracy of census reports.
25. 10-b [Bureau of Census, Miscellaneous Correspondence]  
Mar 10, 1948 - Aug 8, 1950.  
Contains population reports for several Arkansas cities and requests for special censuses, birth certificate search, and various reports as well as correspondence about estimates of the voting age population, voter registration tabulation, the corporate limits of El Dorado to be used in the 1950 census, loss of the position of county clerk due to low population, genealogical research, and the length of the 1950 census questionnaire.

## BCN 18. (Cont. ...)

26. 10-b [Bureau of Census, Miscellaneous Correspondence]  
Oct 1, 1948 - Nov 15, 1951.  
Contains a news release showing the reapportionment of the U.S. House of Representatives necessitated by the 1950 census; requests for Bureau reports and for searches; and correspondence about the possibility of replacing regular census population figures for a city with figures from a special census, the preliminary 1950 census figures for Arkansas compared with 1940 figures, and a Bureau of Census and National Archives search to establish family relationships germane to a suit in law.
27. 10-b [Bureau of Census, Fayetteville Census]  
Apr 18, 1946.  
Contains correspondence about a special census for Fayetteville, Arkansas, needed on account of territorial annexation.
28. 10-c Office of Technical Assistance, 1952 [sic]  
Feb 11, 1952 - Jan 15, 1954.  
Contains correspondence about government assistance in development of inventions and techniques, a sanitary pocket toothbrush, procedure in applying for patents, by-products from hardwood charcoal, and importers handling iron oxide.
29. 10-c [Office of Technical Assistance, Miscellaneous Correspondence]  
Oct 7, 1946 - Mar 19, 1951.  
Contains a summary of research contracts awarded by the Office of Technical Services and correspondence about the government and private research organizations as markets for organic chemicals; topographic maps of the Farmington area; export and import markets for pottery, jewelry, rice, pepper, protein meal, soap, furniture-grade oak lumber, and Venetian blinds; needs for and procedures for acquiring export licenses; surplus ice-making machinery; markets for precision wood products; establishing a retail sporting goods business; and information about sending gifts to friends in the Philippine Islands.

## BCN 18. (Cont. ...)

30. 10-d Patent Office, 1952-1953 [sic]  
Dec 8, 1952 - Nov 23, 1954.  
Contains correspondence about the lack of protection for an inventor until the patent is issued; the slowness of patent applications; procedure for patenting; procedure for registering trade marks; inapplicability of copyright to trade names; trade mark infringement; and some few inventions (a turkey-tendon puller, a cigarette-extinguishing ashtray, and an extendable workhorse).
31. 10-d Patent Office, 1955.  
Feb 15, 1955 - Oct 5, 1955.  
Contains a list of patent attorneys from the Washington, D.C., phonebook; a pamphlet from the Patent Office on patent application; and correspondence about the delays and complications of patent application, increased appropriations for the Patent Office, special-consideration or out-of-sequence patent applications; and an inquiry about formulas and processes for latex used as insulation.
32. 10-d Patent Office, 1956 [sic]  
Jul 27, 1955 - Dec 3, 1956.  
Contains inquiries about patent attorneys and procedure for registering a trademark, and considerable correspondence concerning compensation for a veterans-hospital worker who contracted encephalitis lethargica and his application to the Employees' Compensation Bureau.
33. 10-d [Patent Office, Miscellaneous Correspondence]  
Oct 29, 1945 - Oct 25, 1951.  
Contains pamphlets of general information about trademarks and correspondence concerning the procedure for filing for patents and registering trademarks, delayed patent applications, reliable patent attorneys, how to rectify an inaccuracy in a patent, possible violation of an airport lighting system patent, the Razorback trademark, various inventions and, unrelated to patents, a request for Agriculture yearbooks, a special census for North Little Rock, and the results of a special census for Hot Springs.

## BCN 18. (Cont. ...)

34. Patents, Applications, etc.  
Jan 10, 1945 - Oct 30, 1946.  
Contains pamphlets and reports about patents of inventions and techniques, and correspondence about the procedure for applying for patents and trademarks, patent lawyers, proposed legislation to pool research and make it available to small businesses, and a variety of inventions.
35. 10-e Bureau of Standards.  
Apr 15, 1953 - Aug 9, 1954.  
Contains a protest of the dismissal of the Bureau by the Secretary of Commerce, correspondence about testing and selling to the Navy a plastic coating material, and a telegram from the Senator about a hearing to decide on airline feeder service for Arkansas.
36. 10-e [Bureau of Standards]  
Feb 18, 1947 - Dec 15, 1950.  
Contains correspondence requesting various printed matter from the Bureau.
37. 10-f Weather Bureau, 1952-1953 [sic]  
Feb 19, 1952 - Dec 10, 1954.  
Contains correspondence concerning how to acquire a rainfall measuring device, the proposed publication of a daily weather map in the Arkansas Gazette, the availability for pilots of current information about the wind aloft, the establishment of a weather station in southeastern Arkansas, and Arkansas politics during the summer of 1952.
38. 10-f Weather Bureau, 1955-1956 [sic]  
Jul 7, 1954 - Oct 28, 1955.  
Contains correspondence about the need for continuing operation of the weather station at Texarkana, increased appropriations by the Senate for storm warning stations, expansion of storm warning facilities at Texarkana, and the possibility of establishing a U.S. Weather Station at Hot Springs.

## BCN 18. (Cont. ...)

39. 10-f [Weather Bureau, Miscellaneous Correspondence]  
Feb 24, 1947 - Mar 20, 1951.  
Contains a request for a weekly weather report and other correspondence about establishing a weather observer on Rich Mountain near Mena in the summer months, the cooperative weather station on Mount Magazine, the transmission of weather reports into Fayetteville from Fort Smith via Civil Aeronautics Administration facilities, the need for current and detailed weather information in Northwest Arkansas, the need for a Weather Bureau station in Fayetteville, the move of the forecasting facility from Fort Smith to Tulsa as the cause of inaccurate forecasting, and humidity figures for Newport.
40. 10-h Bureau of Public Roads, 1955 [sic]  
Jan 9, 1954 - Dec 1, 1955.  
Contains correspondence about highway legislation, the portion of the 1954 State of the Union message dealing with highways, the designation of certain highways in Arkansas as part of the Interstate system, the Mississippi River bridge at Helena, and a freeway between Roseville and Newcastle, California.
41. 10-h Bureau of Public Roads, 1956.  
Jan 13, 1956 - Nov 28, 1956.  
Contains correspondence about relocating the highway between Fort Smith and Little Rock, incorporating U.S. 71 into the Interstate system, funds for main roads and forest roads, federal aid for road improvement at a Boy Scout camp, the eligibility of the Boy Scouts to receive Defense Department material, and one letter concerning a grant under the student exchange program.
42. 10-i Bureau of Foreign Commerce, 1956.  
Feb 6, 1956 - May 23, 1956.  
Contains correspondence about export controls on scrap iron and scrap steel, and about markets in Mexico and South America for electrical generating equipment.

## BCN 18. (Cont. ...)

43. 11 Department of Labor, General, 195 2 [sic]  
Dec 5, 1951 - Sep 22, 1952.  
Contains correspondence about a workman's compensation claim, opposition to the union shop policy of the Wage Stabilization Board, charges filed against Fayetteville auto dealers by the machinists union, wage determinations in the lamp industry, efforts to amend or repeal the Walsh-Healey Act or dilute its effect through the Defense Production Act, the qualifications for lawyers practicing before the National Labor Relations Board, the Labor Department's definition of farmer, cost of living wage increases and their effect on wage stabilization, the prevailing wage for Mexican farm workers in Arkansas as opposed to the minimum wage demanded by the Mexican government and Labor Department, complaints against farmers associations record-keeping and against the Labor Department by farmers groups, wage raise for carpenters, exemptions from rules of the Wage Stabilization Board, farm employment of children, and a proposed United States of Europe.
44. 11 Department of Labor, General, 1953 [sic]  
Sep 22, 1952 - Oct 14, 1953.  
Contains correspondence about employment compensation for returning veterans; union practices in Cleveland, Ohio, detrimental to an Arkansas canning firm; violation of contract for Mexican farm workers; ineligibility of Crittenden Farm Association to contract for Mexican farm workers, the closing of eight employment offices in Arkansas; insufficiency of federal funds for the Arkansas employment program, and an injury claim by a former federal employee.
45. 11 Department of Labor, [General], 1954 [sic]  
Dec 19, 1953 - Dec 3, 1954.  
Contains correspondence about a small Arkansas business's multiple violations of the Fair Labor Standards Act, a labor problem at the Little Rock air base, a union jurisdictional dispute in Fort Smith, a wage hearing for the electric lamp industry, and several employment compensation claims.

## BCN 18. (Cont. ...)

46. 11 Department of Labor, General, 1955.  
Feb 14, 1955 - Dec 28, 1955.  
Contains correspondence about the continued operation of the Mexican farm workers program, insurance for Mexican farm workers, the re-employment rights of veterans, a labor jurisdictional dispute over the construction of the Dixon-Yates steam generating plant at West Memphis, drought and unemployment in Arkansas and special labor market surveys of several cities (Clarksville, De Queen, Waldron, Conway, Newport, Mena, Rison, Little Rock, North Little Rock, Fort Smith, and Texarkana), proposed amendments to the 1938 Fair Labor Standards Act, expanded coverage of the minimum wage law, proposed model workmen's compensation bill, the Communist issue in the International Labor Organization, the importance of exports to the American coal industry, and Japanese imports of finished cotton goods.
47. 11 Department of Labor, [General], 1956 [sic]  
Aug 16, 1955 - Sep 17, 1956.  
Contains a report on the characteristics of workers drawing unemployment insurance and correspondence about Mexican farm workers program: eligibility requirements, truck transportation as opposed to common carriers, increasing the allocation of Mexican workers, the competition of Mexican workers with local labor, and the negotiations with the Mexican government over changes in policy.
48. [11 Department of Labor, General]  
Jan 18, 1945 - Nov 29, 1949.  
Contains notices of hearings, requests for information about the law and about personnel management, and other correspondence about labor needs on Arkansas farms, regular contract recruiting of Mexican farm hands as opposed to use of "wet-backs", negotiations between the Mexican and U.S. governments over farm labor, the blacklisting of states by the Mexican government, the inability of a constituent to join the plumbers union, the wage level on a number of federal government projects, support prices for cottonseed, increasing the limitation on soil conservation payments, a can company strike, the legality of competitive advertising by state employment services, a steel strike affecting the supply of cotton ties, an unsuccessful oil workers' strike, and whether local unions can levy fines on members for missing meetings.

## BCN 18. (Cont. ...)

49. [11 Department of Labor, General]  
Oct 10, 1945 - Mar 1, 1949.  
Contains a report on new construction by the Labor Department and correspondence about a jurisdictional dispute among telephone workers' organizations, veterans re-employment preference program, a possible strike among oil and chemical workers, charges of Communist influence against the director of the Conciliation Service, careers for women, the job market in Little Rock, the American Legion convention, the poor labor relations of a large southern compress and warehousing company, labor arbitrators for Arkansas, strike at Bull Shoals Dam, strike-breakers transported across state lines by Brown and Root Incorporated and that company's refusal to recognize union labor, and hours and wages of auto mechanics employed by auto dealers engaged in interstate commerce.
50. [11 Department of Labor, General]  
Nov 2, 1944 - Feb 9, 1946.  
Contains correspondence about a hearing to define "area of production" in reference to the minimum wage law, the treatment of rheumatic fever in children, protective child labor legislation, rent controls, a building labor wage dispute, building priority for an Army supplier, possibility of a reciprocal trade agreement with New Zealand, elimination of double taxation requirements on foreign traders (in Canada and New Zealand), a poll analyst's opinion of Fulbright's potential for presidential nomination, and a Labor Department safety award to an oil company.
51. Department of Labor, Area of Production: Grain, Seeds and Dry Edible Beans or Peas.  
Jan 1945.  
Contains the Labor Department's definition of "area of production", a phrase used in the Fair Labor Standards Act, as it applies to workers in grain, seeds, and dry edible beans and peas.

## BCN 18. (Cont. ...)

52. Department of Labor, Area of Production: Dairy Products, Poultry and Eggs.  
Jan 1945.  
Contains the Labor Department's definition of "area of production", a phrase used in the Fair Labor Standards Act, as it applies to workers in dairy products, poultry, and eggs.
53. War Labor Board.  
May 31, 1944 - Oct 16, 1945.  
Contains correspondence about the transfer of Arkansas from the jurisdiction of the Seventh to the Eighth Regional War Labor Board, the wage schedule at the Naval Ordnance Plant in Camden, newspaper advertising for labor for the Naval Ordnance Plant, veteran employment representatives in Arkansas, a shortage of labor in steel and iron foundries causing a shortage of railroad brake linings, the protection of seniority rights of workers who transferred to war work for the duration, increasing the number of U.S. Employment offices to handle returning servicemen, an employment office in Siloam Springs, wage increases in the lumber manufacturing industry, cancellation of projected employment offices due to decreased appropriations, the wage level of U.S. Employment Service personnel, war prisoners as emergency laborers in cotton compresses, the difficulties of a laundry in obtaining fabric for its ironers, and the employment of a disabled veteran.
54. National Mediation Board.  
Jul 17, 1946 - Jan 31, 1947.  
Contains the notice of retirement of a member of the NMB, and two pieces of correspondence about the closing down of the Missouri and Arkansas railway on account of a strike.

BCN 19. Ila-15 Gen[eral] 1945-1956 [Department of Labor,  
Military Academies, Federal Courts, & Civil Service  
Commis sion]

- F1. 11a [Wage and Hour Division, Department of Labor — Miscellaneous Correspondence and other material]  
Oct. 1, 1945 - Dec. 2, 1948.  
Contains correspondence about the Labor Department's investigation concerning the Linebarger Construction Company; the forty hour work week, (Tri State Equipment, Memphis, Tennessee); regulations pertaining to the employment of Learners; the application of the Fair Labor Standards Act to the laundry industry; the decisions of the Supreme Court concerning interstate commerce; the affects of higher wages on hotels in Hot Springs; general regulations of the Public Contract Act (Walsh-Healey Act); and the Wage and Hour Regulations.
- F2. 11-a [Wage and Hour Division, Department of Labor — Miscellaneous Correspondence and other material]  
Jan. 14, 1949 - May 9, 1950.  
Contains correspondence about the Wage and Hours division (Department of Labor); an amendment proposed to exempt white-collar employees from provisions of the Wage and Hour Law; learners certificates; the Union Oil Company's (of California) violation of Taft-Hartley Act; wage rate comparisons for Bull Shoals Dam; the provisions of the Davis Bacon Act; and the conclusion of the report of the Federal Advisory Council on strengthening unemployment insurance.
- ov  
F3 11-a [Wage and Hour Division, Department of Labor — Miscellaneous Correspondence and other material]  
Nov., 1940 - Sept. 30, 1950.  
Contains correspondence about the determination of hours for which employees are entitled to compensation under the Fair Labor Standards Act of 1938; the Immigration and Naturalization Service; the President's Commission on Migratory Labor; social provisions pertaining to the required contract provisions for federal-aid projects; the Walsh-Healey Public Contracts Act; and the seventy-five cent minimum wage.

## BCN 19. (Cont. . . . )

Jan 8, 1952 - Dec 6, 1954.  
General correspondence from Arkansas citizens that relates to problems that come within the scope of the GSA. Included is extensive correspondence on two subjects: first, correspondence and reports on the federal government's decision to terminate its manganese contract with the Westmoreland Manganese Corporation of Batesville, Arkansas; second, correspondence and petitions from citizens of Mountain Home to obtain condemned government property for a municipal park and playground.
- F29. 23 Federal Works Agency — General Services Administration  
1955  
Jan 13, 1955 - Dec 12, 1955.  
Miscellaneous correspondence relating to problems that come within the scope of the GSA. One group of material is concerned with the alleged attempts to sell the Franklin Mines (Nashville, Tennessee) to the federal Government to serve as storage facilities for agricultural products.
- F30. 23 Federal Works Agency — General Services Administration  
1956  
Feb 13, 1956 - Dec 21, 1956.  
With the exception of three letters, the entire file contains material about the proposed federal building to be constructed in Little Rock. Most of the material is related to Arkansas Architectural and their efforts to obtain the contract for design of the building.

## BCN 20. (Cont. ...)

- F31. 23a Federal Works Agency — Public Building Service.  
Feb 20, 1945 - Sep 16, 1955.  
General correspondence containing material relating to federal construction in Arkansas. Most of the letters are related to questions and/or suggestions about funds for various highways in Arkansas.
- F32. 23b Federal Works Agency — Federal Supply Service  
Apr 22, 1954 - Oct 3, 1955.  
Contains correspondence pertaining to requests by constituents for information on the Foreign Service and schools specializing in Foreign Service. Correspondence requesting assistance on filing procedures. Correspondence pertaining to Judge Issac C. Parker and the District Court at Fort Smith, Arkansas.
- F33. 23c Federal Works Agency — National Archives  
Feb 26, 1954 - Mar 27, 1956.  
This folder contains numerous items of correspondence pertaining to attempts by individuals to obtain service records of friends and family. Correspondence pertaining to a volume of the Territorial Papers of the U.S. printed by the federal government and expressions of gratitude upon its arrival. Correspondence wanting information about Judge Issac C. Parker and his court.
- F34. Federal Works Agency — Federal Work Projects  
Dec 30, 1944 - Dec 29, 1949.  
This folder contains reports from special Senate committees on small businesses, the Fifth Annual Report of the Federal Works Agency and the "Construction Stabilization Act of 1945." Correspondence pertaining to planning, maintenance, operation and building of schools throughout the state. Numerous items of correspondence pertaining to the construction of public works, turning over surplus government buildings for veterans' programs, obtaining surplus equipment and complaints about hiring out-of-state contractors on federal work projects. Correspondence pertaining to surplus military property, erection of new government buildings and the declaration of Warren, Arkansas as a disaster area.

## BCN 20. (Cont. ...)

- F35. Federal Works Agency — Federal Work Projects  
Jan 9, 1950 - Mar 8, 1951.  
Correspondence pertaining to the building of sewer facilities, airport facilities, hospital facilities and water facilities throughout the state. Correspondence containing pleas by citizens for reactivation of old federal buildings, construction of new federal buildings and post offices. Correspondence pertaining to a pledge of support in the upcoming election. Correspondence containing complaints about the giving of federal loans during time of war. Correspondence pertaining to recommendation of professional services (architecture). Also containing a report about defense programs affecting colleges and universities. Also a report about the steps to be taken in setting up a regional education system.
- F36. Federal Works Agency — General Correspondence  
Mar 1, 1945 - Jan 9, 1948.  
Correspondence concerning procedure necessary to secure government grants for planning funds, federal assistance to school districts, hospitals, airports, sewers, recreation and terminal facilities. Numerous items of correspondence dealing with surplus medical facilities for southern Mississippi County, appreciation for a copy of an article published in a journal, and funds for a war memorial in Fayetteville. Reports concerning a hospital construction bill and the applications for federal assistance in work projects.
- F37. Federal Works Agency — Berryville  
Mar 2, 1946.  
Correspondence asking assistance in obtaining funds for construction of Berryville School District buildings.
- F38. Federal Works Agency — Cabot  
Nov 24, 1945 - Dec 26, 1945.  
Correspondence pertaining to the re-opening of an application for sewer facilities in Cabot, Arkansas. Also containing a set of regulations for Title V of "War Mobilization and Reconversion Act."
- F39. Federal Works Agency — Camden  
Jun 1, 1945 - Jun 19, 1945.  
Correspondence inquiring into the possibility of acquiring a Veterans Administration Hospital for Camden, Arkansas.

## BCN 20. (Cont. ...)

- F40. Federal Works Agency — Franklin County  
 Jan 28, 1946 - Feb 20, 1946.  
 Correspondence pertaining to the availability of federal funds for the construction of a hospital in Ozark, Franklin County, Arkansas.
  
- F41. Federal Works Agency — Harrison  
 Jun 5, 1945 - Sep 16, 1946.  
 Correspondence pertaining to the construction of a Veterans' Hospital in Harrison, Arkansas. Also containing correspondence asking help in receiving funds for construction of new school facilities and a general hospital. This folder includes a correspondence from Lake Village, Arkansas pertaining to an appointment to the United States Military Academy.
  
- F42. Federal Works Agency — Hot Springs  
 May 1, 1945 - Jun 19, 1945.  
 Correspondence pertaining to the start of a treatment and research center for arthritis in Hot Springs, Arkansas at Leo N. Levi Memorial Hospital.
  
- F43. Federal Works Agency — Little Rock  
 Apr 23, 1945 - Mar 19, 1947.  
 This folder contains correspondence relating to the installation of water and recreation facilities for Little Rock, Arkansas. Also containing a newspaper clipping and engineering survey of a proposed lake to be built in the Fouche bottoms south of Little Rock. Correspondence pertaining to the sale of excess USO equipment and buildings in the Little Rock area. Correspondence pertaining to the authorization of funds for the Pulaski County Special School District. Correspondence dealing with recommendations for professional services (architectural). Correspondence containing a request for a copy of a Senate bill. This folder also contains a request from Black Rock, Arkansas for funds to build a new sewer and water system.

## BCN 20. (Cont. ...)

- F44. Federal Works Agency — Magnolia  
Feb 5, 1945 - Jun 5, 1945.  
Correspondence pertaining to federal funds being used to improve the Magnolia City Hospital. Also containing correspondence concerning the possible location of a Veterans' Administration Hospital in Magnolia, Arkansas.
- F45. Federal Works Agency — Malvern  
Oct 12, 1945 - Nov 6, 1945.  
This folder contains correspondence seeking federal funds to build a war memorial auditorium in Malvern, Arkansas.
- F46. Federal Works Agency — Morrilton Hospital  
Jan 20, 1945 - Mar 4, 1946.  
Correspondence pertaining to the location of a Veterans Hospital in Morrilton, Arkansas. Also the possibility of making the hospital into a veterans' hospital for the treatment of tuberculosis. Correspondence containing requests for funds to expand the existing hospital in Morrilton.
- F47. Federal Works Agency — Paragould Hospital  
Mar 1, 1945 - Mar 21, 1946.  
Correspondence pertaining to the completion of the hospital in Paragould, Arkansas. Also containing correspondence seeking federal funds to complete the hospital in Paragould, and the availability of surplus medical equipment and supplies. Correspondence requesting information on the possibility of getting a Veterans Hospital in Greene County, Arkansas. This folder also contains documents relating to various hospital aid bills before the Congress.
- F48. Federal Works Agency — Piggott  
Feb 13, 1946 - Mar 7, 1946  
Correspondence requesting assistance in seeking federal funds to expand the Piggott, Arkansas school facilities.

## BCN 20. (Cont. ...)

- F49. Federal Works Agency — Pine Bluff  
Nov 22, 1945 - Nov 30, 1945.  
Correspondence inquiring about the possibility of amending the Hospital Construction Act of 1945 to let federal agencies dispose of hospital facilities. The city of Pine Bluff wishes to acquire the hospital in Pine Bluff built with Government funds.
- F50. Federal Works Agency — Russellville  
Feb 27, 1945 - Jun 4, 1945.  
Correspondence dealing with the re-opening of the Russellville Arkansas hospital and the availability of federal funds to accomplish the re-opening. Also correspondence seeking information on the possibility of getting a Veterans Hospital in Russellville.
- F51. Federal Works Agency — Siloam Springs  
May 18, 1945 - Jun 15, 1945.  
Correspondence pertaining to the location of a proposed naval hospital in Siloam Springs, Arkansas.
- F52. Federal Works Agency — Stuttgart  
Nov 16, 1945 - Dec 4, 1946.  
Correspondence requesting the Federal Works Agency to examine the sewage disposal unit at Stuttgart, Arkansas. This folder also contains a request from John Brown University in Siloam Springs, Arkansas for surplus buildings to be used as classrooms and recreation facilities.
- F53. Federal Works Agency — Yellville  
Feb 9, 1946 - Feb 21, 1946.  
Correspondence requesting assistance in receiving federal funds to make improvements on the water works in Yellville, Arkansas.

BCN 21. 24 to 31 1945-1956

- F1. [24] General Accounting Office [Miscellaneous Correspondence]  
Apr 27, 1945 - Oct 22, 1951.  
Contains reports to Congress from the Comptroller General and correspondence about figuring costs in excess of land-grant transportation charges, overpayment of military allotments, and numerous small claims by individuals against various government agencies.
- F2. 24 General Accounting Office 1952 [sic] [Miscellaneous Correspondence]  
Dec 28, 1951 - Nov 8, 1952.  
Contains correspondence about claims for back-pay against the Army, overpayment of an allotment, and illegal attachment of a civil service annuity.
- F3. 24 General Accounting Office 1953-[19] 55 [sic] [Miscellaneous Correspondence]  
Sep 28, 1951 - Aug 2, 1955.

Contains correspondence about a lawsuit between the government and the Westmoreland Manganese Corporation; a GAO investigation of conflicts of interest in zinc production contracts made by the former head of the Defense Materials Procurement Agency, the Army's liability for civilian medical expenses, and a civil service annuitant's penalty for returning to active duty two days before a month was out.

## BCN 21. (Cont. ...)

- F5. 24 General Accounting Office 1956 [sic] [Miscellaneous Correspondence]  
Oct 8, 1951 - Nov 6, 1956.  
Contains correspondence about claims against the Navy and the Army and about the Army-operated government of Okinawa, including a long background study.
  
- F6. [25] Government Printing Office [Miscellaneous Correspondence]  
Jan 12, 1941 - Aug 17, 1951.  
Contains requests for maps and other government publications, information on setting up for printing rationing books, an inquiry on bidding for government contracts, and a complaint about the management of the Government Printing Office.
  
- F7. 25 Government Printing Office 1952 [Acknowledgement and Request for Publications]  
Jan 3, 1952 - Dec 12, 1952.  
Contains notification of, requests for, and acknowledgement of a variety of government publications.
  
- F8. 25 Government Printing Office 1953-1955 [Request for Publications]  
Mar 5, 1953 - Aug 26, 1955.  
Contains requests for government publications.
  
- F9. 26 Interstate Commerce Commission 1952 [Miscellaneous Correspondence]  
Feb 1, 1952 - Dec 8, 1952.  
Contains correspondence about the extension of a permit for a barge towing company, the navigability of the Ouachita River, rate discrimination in the South and West, motor truck freight rates, increased railway freight rates at Springdale, investigation of improperly transported sulphuric acid, a Missouri Pacific Railway transfer of money from common to preferred stock, procedure for obtaining motor carrier authority, the appointment of the director of the Bureau of Locomotive Inspection, and the defeat of Sidney Sanders McMath.

BCN 21. (Cont. ...)

- F10. 26 Interstate Commerce Commission 1953-[19]55 [Miscellaneous Correspondence]  
Mar 31, 1953 - Jul 29, 1955.  
Contains correspondence about gaining permanent authority for a firm to haul house trailers, a hearing in the Eastern Missouri District Court at St. Louis involving the bankruptcy and re-organization of the Missouri-Pacific Railway, the rates on rail shipment of wooden pallets, a shortage of rail cars for loading scrap iron, the appointment of a director of the Bureau of Locomotive Inspection, conflicting state procedures for collecting tax revenue from motor freight carriers, and poor motor freight service to a wholesale grocer.

ov

- F11. 26 Interstate Commerce Commission 1956 [sic] [Miscellaneous Correspondence and Other Material]  
Nov 17, 1955 - Dec 3, 1956.  
Contains a petition from two railroad brotherhoods to the ICC to enforce rules on the maintenance of power brakes and correspondence and enclosures about the decision of the Motor Carriers Bureau of the ICC in awarding routes to certain carriers of motion pictures; increased rail freight, especially on fertilizer, grains, and other farm crops; the freight car shortage and the ICC service order (no. 910) pertaining to preventing the use of cars as storage space for lumber; cotton pricing for the export program favoring ports over interior locations; and the suspension of the reduction in freight rates on cotton.

ov

- F12. [26] Interstate Commerce Commission [Miscellaneous Correspondence and other material]  
Apr 27, 1944 - Jul 27, 1950.  
Contains requests for help in gaining authority for various rail, truck, and barge hauling and other correspondence about the shortage of rail cars for hauling fertilizer, wheat, seed peas, flour, rice, and food crops; the pending application to abandon the Missouri and Arkansas (Cotton Belt) Railway; studies in uniform freight rates and legislation opposed to further studies; the North-South freight rate controversy; the domination of railroads by two New York financial houses; Thomas E. Dewey's opposition to freight rate equalization bills; possible appointees to the ICC with agricultural sympathies; the liability of shippers to carriers for undercharging; and various ICC rulings concerning routes and rates.

BCN 21. (Cont. . . . )

ov

- F13. [26] Interstate Commerce Commission [Miscellaneous Correspondence and other material]  
Aug 7, 1950 - Dec 28, 1951.  
Contains a petition to suspend freight rate increases on soybean transport; a report concerning re-organization proceedings of the Missouri Pacific Railway in U. S. District Court, Eastern Division of Missouri; a resolution of the Arkansas Public Service Commission about the granting of authority by ICC to carriers of dangerous explosives; and correspondence about the export rate on soybeans, the boxcar shortage affecting transportation of soybeans, the increase in express rates on flowers shipped from Southern states to Arkansas florists, ICC rules concerning rates of finished wood products shipped by rail, differing rates of competing rail routes, joint-through-rail-rates exceeding aggregate-of-intermediate-rail-rates, discontinuance of rail service between Fargo and Cotton Plant, the need of Mexican farm workers in Cotton Plant, barge shipping on the Ouachita River, and ham Radio license applications of two young men.

ov

- F14. I [nterstate] C[ommer] C[ommission] — Employment of Physically Handicapped  
Jan 20, 1948 - Sep 29, 1949.  
Contains a proposed amendment to the Civil Service Act to remove discrimination against the physically handicapped and correspondence about the application of ICC safety rules to a truck driver with a physical handicap and efforts to change the rule.

ov

- F15. Railroads — M[issouri] and A[rkansas ] R[ail]r[oad] — New roads for State, etc. [Correspondence and other material] .  
Feb 16, 1945 - Dec 23, 1947.  
Contains correspondence about the procedure for becoming licensed to haul fruit from Mexico, the possibility of discriminatory freight rates for Pocahontas, goods damaged by a moving company, a uniform classification of commodities and uniform scale of rates, safety regulations for railroads, increased trucking rates, the possibility of government operation of the Missouri-Arkansas Railroad, the closing of that railroad, and the possibility of its being operated by the Rock Island Railroad.

BCN 21. (Cont. ...)

ov

- F16. Railroads — M[issouri] and A[rkansas] R[ail] r[oad] —  
New roads for State, etc. [Correspondence and other material].  
Jan 1948 - Jul 25, 1949.  
Contains a variety of petitions, reports, plans, and correspondence about the abandonment of the Missouri and Arkansas Railroad and about Senator Fulbright's motives in investigating the Reconstruction Finance Corporation, which is proposed as a lender to the railway.
- F17. U. S. Maritime Commission [Miscellaneous Correspondence]  
Jan 16, 1946 - Aug 17, 1949.  
Contains correspondence about the purchase of Army surplus boats, insurance benefits for a widow, fares set by the Commission for transportation of students to Europe, the need for an additional ship for the student exchange program, the procedure for obtaining employment in the merchant marine, and the effect on American shipping of the announced import controls of the Union of South Africa.
- F18. 27 National Science Foundation 1956 [sic] [Announcement of Grants]  
Nov 5, 1954.  
Contains the announcement of 216 scientific grants for fiscal 1955 and a memo of the one grant awarded the University of Arkansas.
- F19. [28 National Archives — Miscellaneous Correspondence]  
Jun 3, 1948 - Jul 20, 1949.  
Contains a list of National Archive facsimiles and correspondence about government acquisition of titanium and rutile, files dating from the Civil War concerning the loyalty of some people whose cotton was burned by Union troops, and the proper method for sealing a vault for the preservation of papers.

BCN 21. (Cont. . . .)

- F20. [29 Federal Housing Agencies — Miscellaneous Correspondence]  
Jan 28, 1945 - Jan 7, 1950.  
Contains a report on Federal Housing Administration operations in Arkansas and correspondence about an alleged violation of FHA regulations in Louisiana, the housing shortage, authorization to build housing in Hot Springs and Arkadelphia and planning for expanded post-war home construction, restrictions on occupancy and disposition of defense housing, notification of sale of defense housing, the possible consolidation of personnel of Jones Mills and Bauxite housing projects, individual purchase of FHA mortgages, the appointment of the Arkansas State FHA director, and a variety of veteran housing problems.
- F21. [29 Federal Housing Agencies — Miscellaneous Correspondence]  
Sep 15, 1949 - Dec 28, 1950.  
Contains correspondence about loans for planning low-rent public housing; accounting for funds by local bodies when the government relinquishes veterans' temporary housing projects to them; legislation for turning over government owned surplus temporary housing as well as airfields to local authority in Blytheville and other cities; a contract for research into low-cost housing by the University of Arkansas; loans to colleges for student and faculty housing; the dropping of a non-discrimination clause in student housing appropriation; housing projects in Arkadelphia, Blytheville, Camden, Fort Smith, Little Rock, Magnolia, North Little Rock, Pine Bluff, and Texarkana; suspension of funds for college housing and new public housing projects on account of Korean War priorities; disposal of government owned housing in Bauxite; rising rents upon the re-opening of Camp Chaffee; the transfer of Federal National Mortgage Association from the Reconstruction Finance Corporation to the Housing and Home Finance Administration, and the closing of the Little Rock FNMA office; approval of a radiant heating system by FHA; and prefabricated-house manufacturers.

BCN 21. (Cont. . . . )

- F22. [29 Federal Housing Agencies — Miscellaneous Correspondence]  
 Jan 8, 1951 - Dec 7, 1951.  
 Contains correspondence about housing development in El Dorado, Arkadelphia, Stuttgart, West Memphis; defense housing in Pine Bluff, the Benton-Bauxite area, El Dorado, and possibly Little Rock; relaxation of housing credit controls in defense areas; reinstitution of rent controls; relocation of black families in Arkadelphia; funds for college housing related to the defense program; the transfer of the rent control function from the Office of Housing Expediter to the Economic Stabilization Administration; dispensing with the maximum set on building loan available on a building in Shreveport to house oil companies; slum clearance and urban re-development and excess public housing in Little Rock; lack of federal funds for rebuilding a school destroyed by fire; and authority for the Federal National Mortgage Association to make advance commitments for the purchase of mortgages on cooperatively developed housing projects.
- F23. 29 [Federal] Housing [Agencies] 1952 [Miscellaneous Correspondence and other material]  
 Feb 19, 1952 - Dec 31, 1952.  
 Contains a list of local housing authorities in Arkansas and correspondence about funds for slum clearance and urban re-development in Little Rock; an audit of the Little Rock Housing Authority; disaster relief for areas hit by tornados; funds for slum clearance and urban re-development in Texarkana; funds for a drainage project in Pine Bluff; relaxation of housing credit controls in Pine Bluff; sale of a water company to the city of Jacksonville; and dormitory construction at Ouachita Baptist College.

BCN 21. (Cont. . . . )

- F24. 29 [Federal] Housing Agencies 1953 [Miscellaneous Correspondence]  
Jan 2, 1953 - Oct 1, 1953.  
Contains a petition to keep the housing project at Bauxite open; a list of local housing authorities operating in Arkansas; an inquiry about earmarked funds affecting the bidding on a Louisiana housing project; a report on slum clearance and urban redevelopment in Little Rock; and correspondence about funds for sewers in Camden, water problems in Cabot on account of Jacksonville Air Base, dormitory construction at Arkansas A. M. and N. College, increased interest rates on mortgages as a policy of the Republican administration, inflation and depression, the buying of Veterans Administration and Federal Housing Administration guaranteed mortgages by the Federal National Mortgage Association, the closing fee added by FNMA to the cost of a veterans housing project in West Memphis, dormitory funding for Arkansas State College, the resuming of mortgage purchases by FNMA, the purchase of a building and land on a housing project by the Bauxite Public Schools, and housing funding at Henderson State College.
- F25. 29 [Federal] Housing Agencies 1954 [sic] [Miscellaneous Correspondence]  
Dec 17, 1953 - Dec 3, 1954.  
Contains correspondence about the need for less government spending; funding for housing at Arkansas Polytechnic College; the impact of proposed housing legislation on Little Rock urban renewal projects, on Veterans and FHA housing programs, and on home construction and residential real estate in Alaska; minimum standards and specifications for FHA loan guarantee; a Senate Banking and Currency Committee investigation of the FHA; alleged surplus housing in Little Rock; funding for a dormitory for Hendrix; a second Little Rock urban renewal project; and a water project at Norman, Arkansas.

BCN 21. (Cont. . . . )

- F26.        29 [Federal] Housing Agencies 1955 [sic] [Miscellaneous Correspondence]  
Jan 18, 1952 - Dec 22, 1955.  
Contains a list of officers of the Pulaski County Metropolitan Planning Commission and correspondence about a grant for urban planning by that group, funds for financing city water systems in Mayflower and Salem and Buckner, funds for urban renewal planning near Philander Smith College in Little Rock, presidential authority to adjust down-payment requirements and maturities on loans insured by the Federal Housing Administration, the need for housing at Jacksonville Air Force Base, reassignment of FHA personnel, funds for a dormitory at Ouachita Baptist College, a faulty house inspected by the FHA, the discontinuance of the practice of giving former FHA employees permission to present their private employers interests before the FHA, and the investigation of the Arkansas State FHA and the resignation and appointment of the state director.

BCN 21. (Cont. . . . )

- F27. 29 [Federal] Housing Agencies 1956 [sic] [Miscellaneous correspondence and other material]  
Dec 30, 1955 - Dec 14, 1956.  
Contains the annual report of the Little Rock Housing Authority and correspondence about loans for building projects on Arkansas college campuses (Henderson State Teachers College, Hendrix College, and the University of Arkansas), loans for community water and sewage facilities (Blevins, Chidester, Washington, Buckner, Leslie), the water and sewage needs of Jacksonville due to the Air Base, proposals for legislation to increase the loan limit of Federal Housing Administration home improvement loans and the repayment time, the shortage of capital for home financing in Arkansas and the South, the FHA "precautionary" list and how to get off it, housing and planning and urban renewal funding for Little Rock, plans for additional public housing in Texarkana and an objection to it by a landlord, a renewal of an urban planning grant for the University of Arkansas in behalf of several Arkansas cities (Arkadelphia, Bentonville, El Dorado, Jonesboro, Paragould, Searcy, and Wynne), rising interest rates, or high discounts, Eastern money markets, foreclosure in a defense housing problem in Benton, allegations by a former Little Rock mayor against the City Housing Authority and the subsequent investigation, approval of a federal building project for Hot Springs, repayment of funds borrowed by the city of El Dorado for sewer repair, the issuance of some municipal bonds for which a Magnolia bank wishes to act as trustee and paying agent, legislation guaranteeing municipal bonds for water and sewer systems, the effect of the federal government's monetary policy on construction and allied industries, rental problems in Hot Springs, FHA thickness requirements for lumber, and natural gas legislation.
- F28. [29 Federal Housing Agencies] Apartments — Applications, etc., Request  
Jan 12, 1946 - Jan 20, 1947.  
Contains correspondence about the attempts of veterans and some civilian government employees to obtain housing in the post-war Washington, D.C., area.

BCN 21. (Cont. . . .)

- F29.      29-a [Wyatt Housing Expediter — Miscellaneous Correspondence]  
Jun 14, 1947 - Jan 8, 1953.  
Contains complaints against rent control policy; requests for copies of housing regulations; lists of privately financed dwellings started or completed in 1946 and 1947; and correspondence about restrictions on the lumber and construction industry; commercial building project applications in several Arkansas towns whose intent is recreational use, leases and local advisory boards as features of the 1947 housing law, rent control in several Arkansas towns, controls governing recreational building projects, making exceptions to the Veterans Preferential Regulation of the housing act, de-control of rent in Arkansas cities, difficulties in financing new housing near Jacksonville Air Base, and the poor management of the regional Office of the Housing Expediter in Cleveland, Ohio.
- F30.      29-b [Federal Home Loan Bank — Miscellaneous correspondence and other material]  
Sep 26, 1946 - Mar 17, 1954  
Contains lists of the membership of the Arkansas Home Loan Bank of Little Rock and correspondence about the liquidation of the Home Owners' Loan Corporation and closing of the Memphis office, the repayment record of Arkansas borrowers from the HOLC, the disposal of public housing units in Jacksonville and near Bauxite on land leased by the Public Housing Administration, revised regulations of federal savings and loan associations, faulty dividend computation by a federal savings and loan association, and the need for a second savings and loan association in West Memphis.

## BCN 21. (Cont. . . . )

- F31. 29-c [Federal Housing Administration — Miscellaneous Correspondence]  
 Jun 20, 1947 - Dec 17, 1951.  
 Contains correspondence about unsatisfactory inspections of Veterans Administration and Federal Housing Administration guaranteed houses and poor building practices, price ceilings on houses built under Veterans' Priority system, alleged difficulty in obtaining FHA insurance, new down-payment requirements on FHA property improvement loans, late charges on FHA insured mortgage payments, kickbacks on VA home loans, FHA segregation ruling, a radiant heating system not approved by FHA and a bribery allegation, building projects in Louisiana, a vacancy in the Arkansas FHA, a rental housing project in West Memphis, drainage needs in a Jacksonville housing project, new buying restrictions by the Federal National Mortgage Association, separation of bids (for plumbing, wiring, and air conditioning) on Public Housing Administration work, out-of-state (Arkansas) contracting on big bids, acquisition of properties by Arkansas FHA (in Little Rock, North Little Rock, Hot Springs, Texarkana, Malvern, Hope, Conway, Camden, and Fort Smith), need of Camden and Benton-Bauxite to be declared a defense area for housing and community facilities, the transfer of defense housing to the City of Stuttgart, allegedly irregular bids in a government project, FHA personnel reduction, rent increase on an Air Force Base, and the Arkansas gubernatorial race.
- F32. 29-c F[ederal] H[ousing] A[dministration — Miscellaneous Requests and Complaints]  
 Jan 14, 1952 - Jul 10, 1952.  
 Contains a small amount of correspondence about payment arrears for an apartment house, the sale of Federal Housing Administration acquired properties through real estate firms, the suspension of home improvement loans and its effect on a private company, and the tornado in Judsonia.

BCN 21. (Cont. . . .)

ov

- F33. 29-c F[ederal] H[ousing] A[dministration] 1955 [sic]  
[Miscellaneous Correspondence]  
Jan 9, 1952 - Oct 28, 1954.

Contains correspondence about defense housing areas and availability of funds for increasing community facilities and services (particularly in Blytheville, Jacksonville, and Little Rock), increased interest rates and their effect on G. I. and Federal Housing Administration loans, disaster loans for farmers in drought country, the building of Little Rock Air Force Base, Federal Housing Administration consideration of G. I. school subsistence as income for securing a loan, political attacks on civil service employees by Arkansas Republicans, loans from the Farmers Home Administration, the suspension of a Federal Housing Administration official for alleged misconduct, an investigation of the Federal Housing Administration, "free option" mortgage contracts, the high cost of a home remodeling firm, and slow Federal Housing Administration processing of a cooperative housing project in Benton.

- F34. 29-c F[ederal] H[ousing] A[ dministration] 1955 [sic]  
[Miscellaneous Correspondence]  
Sep 28, 1955 - Mar 29, 1956.

Contains correspondence about a cooperative housing project in Benton, the disability retirement of a Federal Housing Administration (FHA) employee, the offer of a pre-fab house manufacturer to pay for a trip to and tour of his operation by members of the Arkansas FHA staff, the suspension of a firm as an FHA mortgage lender and the transfer of its loan department to another corporation, titles to property in Benton held by FHA but neither for sale nor for rent, politics within the Arkansas FHA, policy of the FHA on loans to beauty shops for air conditioning equipment, the disposition of a large Hot Springs apartment house by the FHA, FHA requirements concerning finished floors under carpeting, the defects of an FHA home, rudeness to a rural home builder by an FHA employee, housing projects at Laughlin Air Force base and Little Rock Air Force Base (Jacksonville) and local contracting for the latter, adjustments made by a remodeling firm to a dissatisfied customer, surplus housing in Little Rock, a conservative view of U. S. economic tendencies, financing college dormitories, additional public housing for Little Rock, and a drought loan from the Farmers Home Administration.

BCN 21. (Cont. . . . )

F35. 29-d [Federal Public Housing Authority — Miscellaneous Correspondence]

Dec 4, 1945 - Sep 28, 1946.

Contains correspondence about purchasing surplus housing units from the federal government for several Arkansas colleges, for veterans in Texarkana, and for an alfalfa dehydrating plant; increased rent for families of servicemen; the use of vacant housing at Pine Bluff Arsenal and Camp Chaffee for families of returning veterans; price controls and the housing problem; a branch of the Federal Housing Administration to assist Fort Smith veterans; priorities for getting house-building materials; the shortage of windows; housing for returning veterans in Blytheville and Fort Smith; the restriction of commercial building in favor of veteran housing; a lumber and brick subsidy program; housing for aluminum workers at Bauxite being sold to veterans; procurement of a shovel and drag line from Camp Chaffee for the University of Arkansas; the needs for a church for building materials to finish a manse and a social center; possible change in personnel in the Arkansas Federal Housing Administration Office; cancellation of Federal Public Housing Authority contracts with an Arkansas firm and accusations of preferential treatment for out-of-state construction firms; and housing needs in Rogers.

BCN 21. (Cont. . . . )

F36. 29-d [Federal Public Housing Authority — Miscellaneous Correspondence]

Oct 2, 1946 - Aug 3, 1951.

Contains a list of housing projects in Arkansas listed by Congressional district (with information about their size, cost, type of housing, and management agency); and correspondence about transformers needed by the University of Arkansas for veterans' housing; eligibility for priority assistance in building a house for World War II, but not WWI veterans; the housing shortage at educational institutions and the use of surplus buildings to alleviate this shortage (Henderson State Teachers College); the use by the City of Fayetteville, for a federal housing project, of a power shovel lent to the University of Arkansas from Camp Chaffee; President Truman's civil right policies and the possibilities of a Democratic victory; the federal government's failure to fulfill its lease obligations to the owner of some apartment units in Texarkana; disposing of housing units on land belonging to an estate near Bauxite; the possibility of selling housing units as opposed to raising rents by the East Central Arkansas Regional Housing Authority; opposition to closing of field offices of the Public Housing Administration by a labor organization; recourse of a house owner whose house was poorly built by a contractor now out of business; insurance due a Little Rock construction firm by the Federal Public Housing Office; correction of war-caused deficiencies in a federal housing project in Fort Smith; the transfer of a federal housing project for veterans to the City of Paragould; an auditorium project for Hot Springs; purchase of federal housing projects by a member of the Little Rock Housing Authority; a socialistic trend toward building public housing, specifically in Blytheville; a serviceman's complaints against management and repairs in a low rent public housing project; an application to raise the rent (in Memphis); low rent housing project for Arkadelphia (also the relocation of affected Negro families); designation of Benton as a defense area.

- F37. 29-d Federal Public Housing Authority — 1952-1955  
[Miscellaneous Correspondence]  
Jan 5, 1952 - Jul 21, 1955.  
Contains correspondence about arrears on payments to the Federal Housing Administration for 2 Conway apartment houses by a Little Rock insurance agency, slum clearance and housing project for Negroes in Camden, the nature of Federal Housing Administration insurance, dormitory construction at Arkansas Agricultural, Mechanical, and Normal College, continued operation of a housing project at Bauxite, the effect of a flash-flood on a low-rent housing project in Fort Smith, purchase of a surplus building from a housing project by Bauxite Public Schools, the unacceptability of a Houston builder to the Federal Housing Administration, an urban renewal planning assistance grant for Pulaski County, a controversy over nomenclature in a Public Housing Administration demolition contract, a housing loan for Henderson State Teachers' College, and a social security claim case.
- F38. 29-d Federal Public Housing Authority 1956 [sic] [Miscellaneous Correspondence]  
Nov 17, 1955 - Feb 16, 1956.  
Contains correspondence about flooding in North Little Rock, allegedly due to federal buildings of Fort Roots Veterans' Hospital.
- F39. 30 Railroad Retirement Board — Cases, Correspondence, etc.  
Dec 9, 1936 - Mar 11, 1953.  
Contains correspondence about railroad retirement and unemployment laws and benefits (annuities, survivor benefits, benefits for minors, etc.), eligibility, complaints, etc., concerning these laws; and about proposed legislation.
- F40. 30 Railroad Retirement Board 1952 [Miscellaneous Inquiries]  
Jun 4, 1952 - Oct 7, 1952.  
Contains correspondence about two annuity adjustment cases.

## BCN 21. (Cont. . . . )

- F41. 30 Railroad Retirement Board 1955 [sic] [Miscellaneous  
Inquiries]  
Jan 6, 1955 - Dec 15, 1955.  
Contains a resolution adopted by the 1954 convention of the  
American Federation of Labor about the Executive Order  
removing high officials of the Railroad Retirement Board  
from Civil Service and correspondence about that resolu-  
tion, proposed amendments to the Railroad Retirement Act,  
various annuity adjustments, widows' annuity eligibility,  
legislation permitting retired railroad workers to draw  
money from both the railroad retirement fund and Social  
Security, support for the investigation of Reconstruction  
Finance Corporation loans to the B & O. Railroad, and  
legislation lowering the retirement age of railway workers  
to 55.
- F42. 30 Railroad Retirement Board 1956 [Miscellaneous  
Inquiries]  
Aug 30, 1956 - Oct 11, 1956.  
Contains correspondence about one disability benefit case  
and one retirement claim case.
- F43. 31 Reconstruction Finance Corporation 1956 [Individual  
Loans Progress]  
Jan 13, 1956 - Aug 3, 1956.  
Contains correspondence about loan applications to the Small  
Business Administration, which is in the process of replacing  
the Reconstruction Finance Corporation.

BCN 21. (Cont. . . . )

- F44. 31-a Small Business Administration 1955 [sic] [Miscellaneous Correspondence and other material]  
Nov 22, 1954 - Nov 22, 1955.

Contains lists of businesses which have received Small Business Administration loans; several publications of the SBA; and correspondence about bids for government contracts, a seminar on small business at Harding College, the antipathy of the Republican administration toward small business, the interference by the President in a small business loan application, dissemination of new production and marketing techniques among small businesses, the closing of the Little Rock Branch of SBA, numerous inquiries and applications for SBA loans, and steel mill projects in South America.

- F45. 31-a Small Business Administration 1956 [sic] [Miscellaneous Correspondence and other material]  
Feb 10, 1953 - Dec 20, 1956.

Contains two weekly staff reports of the Senate Select Committee on Small Business; news releases and information sheets of the Small Business Administration; and correspondence about the abolition of the Reconstruction Finance Corporation, the inception and growth of an irrigation equipment company, RFC owned bonds for facilities improvements in Arkansas towns, government financing for hospitals, financing a plant for a rubber company in Helena, a meeting of government procurement officers with small business owners in Little Rock, and alleged blocking of a SBA Loan by political means by another Arkansas Congressman.

Contains correspondence concerning the Veterans of Foreign Wars; a 1956 Veterans Administration conference; the proposed transfer of surplus land at the VA Hospital in Fayetteville, Arkansas, to the Fayetteville Public Schools; the proposed federal government acquisition of land in squares 724 and 725 of the District of Columbia; and a National Service Life Insurance policy holder from Rogers, Arkansas. Also included is a pamphlet on the VA in Arkansas.

## F8-11. 34-A [Administrative Policies] 1947-1953 [sic].

Dec. 30, 1946 - May 18, 1950

Contains correspondence and printed matter predominately about Veterans Administration medical and agricultural education activities in Arkansas, 1946-1950. Noteworthy is correspondence pertaining to: the On-The-Job [Agricultural] Training Program for veterans in Arkansas; the reduction in work force ordered in VA hospitals; VA approval of the proposed Arkansas Technical School for Negroes; alleged

## BCN22 (continued)

arbitrary practices of the Loan Guaranty Division of the VA office in Little Rock, Arkansas; and the admission to VA hospitals of persons with non-service connected disabilities. Also included is correspondence regarding the Kennedy Veterans Administration Hospital in Memphis, Tennessee; a construction labor dispute in Fayetteville, Arkansas; non-compliance in non-discrimination hiring practices of a Fort Smith, Arkansas biscuit company; and the renewal of five-year term National Service Life Insurance policies.

## F12. 34-A [Administrative Policies]

Jan. 30, 1945 - Dec. 13, 1946

Contains correspondence dealing with allegations of competition between the Farm Credit Administration and banks in Carroll County, Arkansas; delayed subsistence checks from the Veterans Administration to students attempting Arkansas State Teachers College and the University of Arkansas; the unsuccessful attempt of an applicant for the position of Personnel Officer at the VA Hospital in North Little Rock, Arkansas; the unsuccessful attempts of a New York veteran to gain admission into a school of veterinary medicine; the proposed reestablishment of the Civilian Conservation Corps for needy veterans; VA approval of a New York institution and foreign schools for veterans' education under the "G. I. Bill", VA policies with regard to loans for veterans and payment of medical services to private physicians; criticism of the VA under Omar Bradley by the American Legion and a defense of the VA by the Disabled American Veterans; and the proposed establishment of a comprehensive teacher training program for veterans in the teaching profession.

## F13-14. Veterans — On-The-Job-Training

June 30, 1945 – Jan. 13, 1950

Contains correspondence and memoranda in reference to a Veterans Administration order cutting subsidies in the subsistence allowance of veterans engaged in the institutional-on-farm training program. Also contains correspondence and publications involving increased allotments to veterans

## BCN22 (continued)

in the above program, educational and insurance benefits to veterans, and the employment of personnel for a new VA hospital in Little Rock, Arkansas.

- F15. Veterans Administration, James A. Winn  
April 16, 1945 - Aug. 9, 1946

Contains correspondence with James A. Winn, Little Rock regional office manager of the Veterans Administration, involving the hospitalization of a veteran at the VA Hospital, Outwood, Kentucky; and the proposed appointment of a veteran, formerly on the staff of the late Senator Thaddeus Horatius Caraway, for an administrative post at the Little Rock VA office. Also included is correspondence relating to the proposed take-over of the Glover Building in Little Rock, Arkansas, by the VA.

- F16-18. 34-C Hospitals — Veterans, Etc.  
Feb. 3, 1945 - March 23, 1951

Contains correspondence, resolutions, and memoranda referring to the construction of a new VA hospital in Arkansas and the attempts to have it constructed in the following Arkansas cities and counties: Atkins, Batesville, Blevins, Blytheville, Clarksville, Conway, El Dorado, Eureka Springs, Fort Smith, Hardy, Hatton, Hope, Little Rock, Mena, Mountain Home, Sulphur Springs, Texarkana, Van Buren, Baxter County, Conway County, and Polk County. Also included is correspondence relevant to administrative policies at the VA and, military hospitals and offices in the following Arkansas cities: Fayetteville, Hot Springs, Little Rock, and North Little Rock.

- F19-20. 34-D [Veterans Administration - Contact Offices]  
Aug. 15, 1945 - Aug. 14, 1951

Contains correspondence, memoranda, and VA bulletins dealing with addresses of field stations of the VA, veterans' pensions, post World War II demobilization, and the opening and postponed closing of VA offices in the following Arkansas

## BCN22 (continued)

cities: Arkadelphia, Batesville, Blytheville, Camden, El Dorado, Fayetteville, Fordyce, Forrest City, Fort Smith, Helena, Hope, Hot Springs, Jonesboro, McGehee, Magnolia, Mena, Morrilton, Mountain Home, Pine Bluff, Pocahontas, Russellville, Searcy, and Stuttgart.

F21. Veterans Rehabilitation — Projects, State of Arkansas  
Dec.15, 1944 - Feb.12, 1947

Contains correspondence on VA approval of the Arkansas State Vocational School at Huntsville, Arkansas; loans to veterans for development of farm lands in Crittenden County, Arkansas; the approval of Neill Reed by the Veterans Placement Service as Veterans Employment Representative for Arkansas; the transfer of the lands and equipment at the Lake Dick Project (Pine Bluff, Arkansas) to the Arkansas Agricultural, Mechanical, and Normal College for use in the Veterans Rehabilitation Program; the reservation of beds for veterans at the Army and Navy General Hospital, Hot Springs, Arkansas; the importance of the Public Health facility at Hot Springs, Arkansas, to the Venereal Disease Control program of Arkansas; a proposed United States Employment Service Office for western Benton County, Arkansas; a proposed national cemetery at Fayetteville, Arkansas; protests by veterans against the requirements for participation in the institutional-on-farm training program in Arkansas; and the opening of VA Contact Offices at the following Arkansas cities: Batesville, Blytheville, Harrison, Helena, Hot Springs; McGehee, Pine Bluff, Russellville, and Searcy.

F22. 35 Foreign Claims Settlement Commission,  
1956 [sic]  
Nov. 22, 1955 - April 6, 1956

Contains correspondence involving six American P.O.W.'s of the Korean War in their efforts to apply for prisoner of war benefits under the War Claims Act of 1948. Also contains correspondence and press releases regarding compensation for American investors with war-caused property losses in Bulgaria, Hungary, and Romania; non-treaty claims against Italy; and claims against the Soviet Union for losses occurring prior to November 16, 1933.

## BCN22 (continued)

- F23.           36 War Claims Commission, 1955, [sic]  
                   Nov. 12, 1952 - April 7, 1955  
                   Contains correspondence, case records, news releases, and applications pertaining to P.O.W. benefits allowed to those persons (or their survivors) who were interned in Japanese Prisoner of War camps during World War II. Also contains correspondence about a possible uranium find in Northwest Arkansas.
- F24.           36 War Claims Commission  
                   May 16, 1950 - Jan. 1951  
                   Contains correspondence, case records, news releases, and an application pertaining to P.O.W. benefits allowed to those persons (or their survivors) who were interned in Japanese Prisoner of War camps during World War II.
- F25.           36 Tariff Commission, 1955 [sic]  
                   Nov. 18, 1954 - March 24, 1955  
                   Contains correspondence from domestic plywood manufacturers and union officials, of Arkansas, urging a higher tariff on imported plywood. Also contains a letter and resolution opposing the proposed transfer of the Bureau of Narcotics from the Treasury Department to the Department of Justice.
- F26.           37 United States Information Agency, 1955.  
                   Dec.16, 1955  
                   Contains one item of correspondence in reference to employment opportunities with the U.S.I.A. and the hearings on appropriations for that agency.
- F27.           37 United States Information Agency, 1956 [sic]  
                   Nov. 28, 1955 - Dec.7, 1956  
                   Contains correspondence, publications, and memoranda dealing with the United States Information Agency on a proposal to have an "All-American Chorus" formed to make overseas tours, guided tours through the Voice of America studios, U.S.I.A. assistance in gathering books for an elementary school library in the Republic of the Philippines, reciprocal exchange of magazines between the Soviet Union and the United States, U.S.I.A. aid to a group of Air Force wives in Japan teaching conversational English to members of the Japanese Air Self Defense Force, and an evaluation of the propaganda value of the U.S.I.A.

## BCN22 (continued)

- F28.        38 Miscellaneous Agencies and Commissions, 1956  
               May 30, 1956 - July 18, 1956  
               Contains correspondence from a Pine Bluff, Arkansas, Army Surplus Store with a complaint of being on The Renegotiation Board mailing list when the store no longer has a government contract. Also contains a mimeographed copy of a letter from JWF concerning labor strikes at the Tennessee Coal and Iron Company, Birmingham Alabama, and the Atlantic Steel Company, Atlanta, Georgia.
- F29-34.     40-Civilian Production Administration . . .  
               Feb.8, 1945 - May 15, 1947  
               Contains correspondence concerning the acquisition of C.P.A. permits by individuals and business interests in order to acquire or purchase, for example, such items as construction permits, automobiles, hospital equipment, and photographic equipment. Also includes correspondence referring to allocations of streptomycin to treat bacteremia and undulant fever patients.
- F35-37.     [Civilian Production Administration, Miscellaneous Correspondence]  
               Dec.7, 1945 - Aug. 1, 1946  
               Contains correspondence regarding the acquisition of C.P.A. permits by individuals and business interests in order to acquire or purchase such items for example, as machinery, photographic equipment, track-laying tractors, clothing, burlap, and home and hospital construction supplies. Also contains correspondence referring to the post-war supply of feed grain after a Mexican grain deal; the efforts of a Little Rock, Arkansas, health official to secure screen wire required for the Typhus Control Program; and the nomination of eight prominent men to serve on the Advisory Committee to the C.P.A. in Arkansas.
- F38.        41 Office of Defense Transportation, 1946  
               May 7, 1946 - May 13, 1946.  
               Contains correspondence pertaining to a carload shipment of water-treatment chemicals destined for Eureka Springs, Arkansas, and its exemption from O.D.T. Embargo 237, designed to restrict railway carload shipments of these chemicals and other miscellaneous items.

## BCN22 (continued)

- F39-40. 42 Office of Economic Stabilization, General Matters  
Before Agency.  
Dec.19, 1950 - Apr. 24, 1951  
Contains miscellaneous wage and price control correspondence. Noteworthy in the correspondence are letters pertaining to ceiling prices on poultry at the farm level, allegations that a Wage and Price Stabilization Board order permitted a price increase in Arkansas coal, the lifting of the price ceiling on raw cotton, and criticism of the wage regulation program by an El Dorado, Arkansas oil workers union. Also contains a copy of the year-end report for 1950 by the president of Aluminum Company of America, an Agriculture Department statement entitled, "Farm Prices In The Price Control Picture", and a copy of Public Law 774, 81st Congress.
- F41. 43 [Office of Price Administration]  
Feb. 9, 1951 - April 30, 1951  
Contains correspondence involving criticism of the price controls in the cotton industry by JWF and a Parkin, Arkansas, firm; speculation about inflation and proposed effects it might have on the country by a national business organization; price controls and their damage to a Little Rock, Arkansas, cooperage firm; and the folder also contains a copy of a letter from Brooks Hays to Charles E. Wilson regarding the movement of key defense plants away from established industrial areas and into the interior of the country.
- F42. [Office of Salary Stabilization, Correspondence]  
Nov. 20, 1951 - Jan. 18, 1952  
Contains correspondence dealing with the Office of Salary Stabilization approval for a proposed sale of stock to employees by the Crossett Lumber Company, Crossett, Arkansas.
- F43-47. 43 Office of Price Administration, 1952 [sic]  
Dec.10, 1951 - Dec.16,1952  
Contains miscellaneous wage and price control correspondence and printed materials. Noteworthy in this correspondence are letters involving wage control exemptions to top management personnel of several Arkansas business interests; rent control case problems in Pine Bluff and El Dorado, Arkansas; the conflict between the "Arkansas Unfair Cigarette Sales Act" and O.P.S. directives; the urging of a price increase on milk from several

## BCN22 (continued)

Arkansas dairy interests; and advice, by JWF to O.P.A. Administrator Ellis Arnall, proposing a plan for decontrol as an incentive for business to hold prices down.

- F48-50. 43 Office of Price Stabilization, Ceiling Price on Cotton  
March 26, 1951 - Nov. 2, 1951  
Contains correspondence, memoranda, and printed matter about price controls on such items as crude oil, milled rice, coal chemicals, cotton, and lumber, for example. Also included are copies of undated questions, concerning price regulation, to O.P.S. Director Michael V. DiSalle and Secretary of Agriculture Charles F. Brannan.
- F51. 43-a Decontrol [by Office of Price Administration]  
March 27, 1946 - March 18, 1947  
Contains anti-O.P.A. correspondence from businesses and constituents in the following Arkansas towns and cities: Blytheville, Conway, El Dorado, Fayetteville, Fort Smith, Humnoke, Jonesboro, Little Rock, Parks, Rogers, Texarkana, Springdale, and Hot Springs. Also included are letters in favor of sugar controls, from cola bottlers at Little Rock and Nashville, Arkansas.
- F52. 43-b [Office of Price Administration]  
March 30, 1946 - March 22, 1951  
Contains correspondence primarily concerned with price control regulations of the Office of Price Administration in the areas of poultry, rough and milled rice, meat, apples, peaches, sardines, mackerel, fats and cooking oils, furniture and bedding, shoe leather, lumber, slab zinc and lead, and machine parts and industrial equipment. This folder also contains correspondence dealing with a critical shortage of cotton pick sacks in eastern Arkansas.
- F53. 43-c Sugar Quota.  
June 17, 1946 - May 7, 1947.  
Contains correspondence desiring more sugar allotments for confectionary companies and bottling plants in Santa Fe, New Mexico, and the following Arkansas cities: Atkins, Conway, Forrest City, Fort Smith, Hot Springs, and Little Rock. Also contains anti-sugar rationing correspondence from constituents in the following Arkansas towns: Farmington, Mena, Rogers, and Waldo.

## BCN22 (continued)

- F54-56.      43-d Rent Control  
                  Aug. 10, 1946 - Sept. 2, 1947  
                  Contains predominately anti-Office of Price Administration rent control correspondence and printed matter from constituents; real estate interests; and interested persons, nationwide. There are comparatively few pro - O.P.A. rent control letters from constituents and interested persons, nationwide.
- F57.          43-e Violations — Enforcement  
                  June 29, 1946 - Oct. 4, 1946  
                  Contains correspondence involving a Fort Smith, Arkansas, meat packing company's application with the Office of Price Administration; O.P.A. notification of a change in office staff; the alleged O.P.A. denial of slaughter permits for Bentonville, Arkansas, food stores; and a possible O.P.A. suspension to be placed on a Fayetteville, Arkansas, meat packing company for meat slaughter beyond quota limits.
- F58.          44 Office of Defense Mobilization, 1952 [sic]  
                  Sept. 7, 1951 - April 30, 1952  
                  Contains correspondence relating to an appeal against recall of a Pine Bluff, Arkansas, constituent into the army; approval of the Salary Stabilization Board of a stock sale to employees by a Crossett, Arkansas, lumber company; the drawing up of a list of plants critical to national defense by the Defense Production Administration; voting information for members of the armed services; and the issuance of tax amortization certificates to the synthetic fiber industry. Also contains a map of U.S. showing rent control and credit control areas as of Feb. 26, 1952.
- F59-60.      44-a Civil Defense Administration . . .  
                  March 19, 1951 - Nov. 18, 1953  
                  Contains correspondence, memoranda, and printed matter relating to Arkansas' participation in a federal matching fund program for Civil Defense, a constituent's proposal regarding the use of Arkansas as a refugee relocation center in the event of bombing, and the fate of the Civil Defense Training School at Oklahoma Agricultural and Mechanical College, Stillwater, Oklahoma. Also contains an evacuation plan for senators, in the event of an attack; and a list of Federal Civil Defense Administration Regional Areas, Regional Administration and State Civil Defense Directors.

## BCN22 (continued)

- F61. 44-b Hoover Commission, 1955.  
March 9, 1955 - July 14, 1955.  
Contains correspondence from: the president of the United States Savings and Loan League and a Nashville, Arkansas constituent in favor of the Hoover Commission's recommendations; the general manager of the National Rural Electric Cooperative Association and a Waldron, Arkansas, constituent in disapproval of the recommendations; and a Little Rock, Arkansas, constituent in regard to his experiences in obtaining a medical examination in connection with his service in the Inactive Reserve of the U .S. Air Force. Also contains a newspaper clipping about the appointment of members to the "new" Hoover Commission.
- F62. 44-b Hoover Commission, 1956.  
Oct. 5, 1956 - Oct. 23, 1956.  
Contains correspondence from two constituents from El Dorado and Searcy, Arkansas, in favor of the Hoover Commission recommendations.
- F63. 42-I-a Office of Defense, Petroleum  
Administration for Defense  
April 14, 1951 - Nov. 9, 1951  
Contains correspondence from constituents regarding a request to the Petroleum Administration for Defense for priority assistance submitted by the Arkansas Western Gas Company of Fayetteville, Arkansas, and a request that price ceilings on lumber be lifted.
- F64. 42-I-b Office of Defense Mobilization,  
Defense Minerals Administration.  
July 10, 1951 - March 17, 1952.  
Contains correspondence pertaining to manganese, bauxite, and possible lead mining in Arkansas.
- F65. 42-I-f Office of Defense Mobilization,  
The Research and Development Board.  
March 8, 1951 - March 12, 1951  
Contains correspondence and a Department of Defense press release concerning the selection of Natick, Massachusetts, as the site for the establishment of the Army Quartermaster Research Laboratory.

## BCN 22 (continued)

- F66. 42-I-g Office of Defense Mobilization  
 Defense Transport Administration  
 Oct. 23, 1951 - Oct. 24, 1951  
 Contains correspondence in reference to a shortage of iron and steel scrap, forcing scrap inventories of American steel mills and foundries to low levels.
- F67. [War Mobilization and Reconversion Act]  
 Sept. 20, 1944 - Sept. 10, 1945  
 Contains reports on problems of war mobilization and reconversion by the Director of War Mobilization and Reconversion, the Attorney General of the United States, and the American Labor Party. Also contains a newspaper clipping about the reconversion report by Bernard Baruch.
- F68. Office of War Mobilization and Reconversion, Cotton Seed, etc. [sic]  
 Aug. 6, 1946 - April 17, 1947  
 Contains correspondence in reference to a shortage of the type of rolling stock needed by a Mississippi chemical company; a shortage of steel needed for the manufacturing of school buses sold by a Tennessee distributing company; and a shortage of hides and leather for a Pocahontas, Arkansas, shoe manufacturing concern.
- F69. War Shipping Administration  
 Jan. 30, 1946 - June 29, 1946  
 Contains correspondence involving the selective service status of two Arkansans serving in the Merchant Marine, and a War Risk Insurance claim on a merchant sailor who died as a result of a ship-board accident.
- F70. U.S. Employment Service -- War Manpower Commission  
 August 30, 1945 - March 13, 1947  
 Contains correspondence and printed material pertaining to the regulation, function, and duties of the U.S. Employment Service and its inter-relationship with the War Manpower Commission. Also included are letters from constituents requesting emergency unemployment relief. A close working with Robert C. Goodwin, the director of the USES, is indicated from the large amount of correspondence between Goodwin, and JWF also come constituent correspondence relates to an effort to secure domestic labor in the form of Eastern European refugees.

## BCN 22 (continued)

## F7 1. War Contracts Terminations

December 20, 1943 - May 14, 1945

Contains economic summary reports from the General Accounting Office pertaining to war contracts that need to be terminated. Also included is a bill introduced by Rep. Thad F. Wasielowski to bring about the termination of these contracts by the G.A.O.

BCN 23.     4b to 4f.   1945 to 56.

- F1.       4b Air Corps 1947-1951. [Miscellaneous Correspondence]  
 Apr 29, 1947 - Feb 13, 1951.  
 Contains correspondence about lack of bonuses for civilian trained pilots who received Army rather than Air Corps Reserve commissions, the use of a military helicopter at half-time of a football game, facility requirements for landing the President's aircraft, provision for the grade of Warrant Officer in the Organized Reserve Corps, the cutback of aircraft in the Civil Air Patrol in Arkansas, possible sites in Arkansas and elsewhere for the Air Force Academy, a pay disparity question on a flood control project, the discontinuance of the Air Force Reserve Unit in Little Rock, the possibility of locating an air engineering development center in eastern Oklahoma to use power from the Southwestern Power Administration, a search for a missing light plane, an evaluation of an air training program, expanding the Air ROTO program, the recall and mobilization of reserves and re-opening of bases in Arkansas on account of the invasion of South Korea, the use of civilian flying schools for primary training of Air Force and Naval pilots, and a variety of cities interested in having nearby air bases.
- F2.       4b Air Corps 1952 [sic] [Miscellaneous Correspondence]  
 Mar 12, 1951 - Oct 22, 1952.  
 Contains correspondence about ROTC units for Arkansas M. & N. College and Southwestern College at Memphis, the lack of ROTC units on black campuses, civilian contract flying schools, a lost aircraft, and the proposal for a bomber base near Little Rock and arguments for and against it.
- ov  
 F3       4b Air Corps 1953 [sic] [Miscellaneous Correspondence]  
 Feb 13, 1952 - Nov 18, 1953.  
 Contains a list of the states and the amounts of military spending authorized in each and correspondence about a private flying school contract, impinging on the Portsmouth water supply of an Air Force base in New Hampshire, the construction (and groundbreaking and dedication) of a bomber base near Little Rock and related issues (fair payment to home owners for the land to be used, the operation of the expanded water and sewage system needed), whiskey sales at Air Force bases, excess military spending, revision of military inspection specifications to include the use of penetrating dyes to detect faulty metal, and the sale of bonds by the city of Blytheville to acquire land for the Air Force.

## BCN 23. (Cont. ...)

ov

## F4. 4b Air Corps 1954-1955 [sic] [Miscellaneous Correspondence]

Jul 1, 1953 - Aug 5, 1955.

Contains a list of military public works projects and correspondence about the Little Rock Air Force Base project (the naming of the base, length of the work week, contract awards, the fire alarm system, the barber shop concession, utilization of the local labor force), the reactivation of the Blytheville air base, the location of the Air Force Academy and its design, allocation of appointments to the Air Force Academy, appointment to advanced ROTC, Air Force wings, an Air Force auction, safety of B-36 and C-119 aircraft, freedom of religion for the military, release of Korean war prisoners held in China, alleged favoritism in the selection of an operator of an aluminum extrusion press facility for the Air Force, Civil Service conversion status of civilian employees of the Air Force cutbacks in AFROTC commissions, overseas teaching, and reserve training at Texarkana.

## F5. 4b Air Corps — Department of the Navy 1955 [sic]

Jun 25, 1953 - Sep 19, 1955.

Contains correspondence about the Naval dental program, a security clearance, surpluses, use of a military band in a Christmas parade, the site for a Naval air base in Louisiana, bids on hotel rates for Marine recruits, Navy divers who helped to search for drowning victims, mobile home park for Navy families, aircraft carrier orientation cruise, use of forest land by Navy for a landing field, expenses incurred by a company which bid low but failed to get the Navy contract, and a failure to commission someone on account of something in his mother's past.

## BCN 23. (Cont. ...)

- F6. 4b Air Corps — Department of the Navy 1956  
Jan 20, 1956 - Dec 20, 1956.  
Contains a reprint from a Cuban newspaper about a delegation from Congress visiting Cuba; a list of principal and alternate Naval ROTC candidates from Arkansas; and correspondence about the governmental organization of Guam, the closing of the Naval ammunition depot at Camden, the deaths of some Marine recruits at Parris Island, a propellant plant in Oklahoma, a portable light plant stored in DeQueen by the Navy, the scrapping of the battleship USS Mississippi, and a husband who abandoned his family.
- F7. 4b Air Corps — Reserve Officer Training Corps Program in Arkansas.  
Feb 26, 1945 - Mar 8, 1951.  
Contains a news release about the re-organized Air Force training program, a list of Air Force Small Business Officers able to advise small businesses in procurement procedures; and correspondence about civilian contracts for flight training advanced Air Force ROTC students, the establishment at Drake Field (Fayetteville) of a Civil Aeronautics Administration Communications Station, the inadequacy of the Air Reserve Training Program in Arkansas, the re-organization of the reserve training program throughout the country, the de-mothballing of military aircraft in the Southwest and defense loans, the possibility of re-opening military air bases in Blytheville and Walnut Ridge, and various college applications for ROTC programs.

## BCN 23. (Cont. ...)

- F8. 4b Air Corps — Reserve Officer Training Corps Program in Arkansas  
Feb 22, 1951 - Jun 18, 1952.  
Contains an evaluation of the Air Force five-part training program; a map showing Air Force training centers; a list of colleges with Reserve Officer Training Corps Programs; and correspondence about college ROTC applications, reactivation of air bases in several Arkansas towns, contract flying schools, the proposed locations of the Air Force Academy, a proposed Air Force storage depot at Helena Airport, the value of the Air Force officer roster to the U.S.S.R., "set aside" procedures and quotas used by canners for the Army Quartermaster Corps, the need for stabilizing the river-bank above Fort Smith, a proposed meteorology course for the Air Force at the College of the Ozarks, the procedure for applying for a concession at the proposed Little Rock air base, and the inability of a defense plant inspector to get an Air Force identification card.
- F9. 4-b-1 Air Corps — Arkansas Installations 1956  
Jan 17, 1956 - Dec 3, 1956.  
Contains correspondence about the construction of reversion on the Arkansas River, the reduction in the work force at the Red River Arsenal, and mainly, the possible closing of the Naval ordnance plant near Camden and the resultant effect on the local economy.
- F10. 4c [Corps of] Army Engineers [Miscellaneous Correspondence] 1946-1947  
Sep 9, 1946 - Nov 26, 1947  
Contains correspondence about projects of the U.S. Army Corps of Engineers in Arkansas, including flood control projects at Bull Shoals, Narrows Dam and Reservoir, Millwood Dam, Fourche Island, Pennington; complaints about pollution control problems at Blue Mountain Lake; requests for allocation of surplus buildings at the Joseph T. Robinson Military Reservation to a variety of uses including an animal shelter; attempts to acquire support from the Corp of Engineers for schools near the construction sites.

## BCN 23. (Cont. ...)

ov

## F11. 4c [Corps of] Army Engineers [Miscellaneous Correspondence] 1949

Mar 31, 1949 - Oct 20, 1949.

Contains correspondence about projects of the U.S. Army Corps of Engineers in Arkansas, including Bull Shoals, Lake Chicot, Beaver Dam and Millwood Dam; about acquisition of land for Corps of Engineers Projects; a labor dispute between the Engineers and "floating plant" workers; a request for use of buildings at Adams Field; aid to the schools of Mountain Home; the disability claim of a worker injured in the Canal Zone.

ov

## F12. 4c [Corps of] Army Engineers [Miscellaneous Correspondence] Jan - Jun, 1950 [sic]

Dec 23, 1949 - Jun 21, 1950.

Contains correspondence related to several Corps of Engineers projects, chiefly the construction of a bridge at Browns Ferry across Bull Shoals Lake; also pertaining to wages on the Bull Shoals project; the moving of the town of Lead Hill from the site of the reservoir; commercial boat operations on Norfolk Lake; possible closing of the Corps' Little Rock offices; resolutions commending the Corps of Engineers on its 175<sup>th</sup> anniversary; and requests for information on river projects from high school students and a college professor.

## F13. 4c [Corps of] Army Engineers [Miscellaneous Correspondence] Jul - Dec, 1950 [sic]

Jun 20, 1950 - Nov 15, 1950.

Contains correspondence about several Corps of Engineers projects, including those in the Dardanelle Drainage District, Holla Bend Levee District, Little Missouri River, Black River Valley and Cache River-Bayou DeView; also relating to wage meetings affecting "floating plant" workers, and to contract possibilities in the "mobilization program" and in the rumored erection of a radar station at Bentonville.

## BCN 23. (Cont. ...)

ov

- F14. 4c [Corps of] Army Engineers [Miscellaneous Correspondence] Jan - Jun 1951 [sic]  
Jan 21, 1950 - Jun 14, 1951.

Contains correspondence about projects of the Corp of Engineers in Fresno, California, eastern Oklahoma, but chiefly in Arkansas; including the Hardin Drain, Blue Mountain Lake, Norfolk, Bull Shoals. Also includes correspondence and documents about the water resources problem associated with establishing aluminum production in the Bauxite-Benton area; a request that the Corps assist the Flippin School District; correspondence about a construction engineer seeking employment.

ov

- F15. 4c [Corps of] Army Engineers [Miscellaneous Correspondence] Jul - Dec, 1951 [sic]  
Jun 24, 1951 - Nov 20, 1951.

Contains correspondence about several projects of the Corps of Engineers in Arkansas, chiefly opposing the abandonment of locks on the Upper Ouachita River; and urging stabilization of the Arkansas River bank at Fort Smith, and flood control on the Ouachita near Malvern and Arkadelphia. Also contains correspondence about salvaging timber in Bull Shoals Reservoir area, the St. Francis Basin project, the Old Hickory Dam project on the Cumberland River, and about purchasing a surplus C46 airplane.

ov

- F16. 4c [Corp of] Army Engineers [Miscellaneous Correspondence] 1952 [sic]  
Dec 9, 1948 - Oct 21, 1952.

Correspondence relating to works of the Corps of Engineers in Arkansas, including river-bank stabilization at Ft. Smith and Little Rock, work on channels in the Black and White Rivers and other flood-control projects; also requests for recommendations from an engineering firm seeking Corps of Engineers contracts and from a businessman seeking a job for his nephew. Other items pertain to a proposed expansion of Camp Chaffee; a court-martial defense; pleasure boats and other facilities at Corps - constructed facilities; expansion of the Blytheville airport; opposition to a proposal to transfer of river projects from the Corps of Engineers to another bureau; a report on the St. Lawrence River project.

## BCN 23. (Cont. ...)

ov

- F17. 4c [Corps of] Army Engineers [Miscellaneous Correspondence] 1954 [sic]

Oct 20, 1953 - Dec 28, 1954.

Correspondence, maps, and reports related to projects of the Corps of Engineers in Arkansas, including Bull Shoals and Norfolk Reservoirs, Table Rock, Greer's Ferry, Mellwood Dam, drainage and bank erosion problems at Little Rock, Van Buren and elsewhere. Also contains correspondence about government contracts at Little Rock AFB, Blytheville AFB and elsewhere, budgetary adjustments in Corps projects, and requests for assistance from a student writing a term paper and from a group of Baptist ministers seeking to establish a church at Little Rock AFB.

- F18. U. S. District Engineers — Legislation, Civil Functions, Etc.  
Oct 24, 1945 - Mar 22, 1946.

Contains correspondence regarding the exemption of the Corps of Engineers civil functions from the Government Reorganization Act of 1946; also pertaining to flood-control appropriations for Conway County, Arkansas, a flood-damage remuneration claim, and a problem at Booneville Sanitarium.

ov

- F19. U.S. District Engineers — Miscellaneous 1945-1946  
Jun 26, 1945 - Sep 24, 1946.

Contains correspondence related to District Engineers projects in Arkansas: future work in the Fourche LaFave, on Palarm Creek and the Lower Carden Bottom Levee; roads, schools and recreational facilities near Bull Shoals and Norfolk reservoirs; a cave-in on the banks of the Ouachita River at Calion; courtesies related to change of staff in the District Engineers' Office; also, a wage dispute in the Floating Plant Workers; a real estate conflict at Booneville Sanatorium; inquiries about obtaining the architectural commission for a VA hospital in Little Rock, and an attempt to find some nineteenth-century field notes to a survey of the Arkansas River. Also an exchange disputing the means of disposal of used automobiles by the District Engineers Office.

## BCN 23. (Cont. ...)

ov

- F20. U. S. District Engineers — Miscellaneous 1948-1951 [sic]  
 Sep 23, 1947 - Mar 16, 1951.  
 Correspondence and reports about activities and projects of the District Engineers in Arkansas, at Bull Shoals Dam, Cadron, Chickalah, Dutch and Spring Creeks, Blakely Mountain Reservoir, Illinois Bayou and in Conway County. Also about an attempt to transfer a part of the Little Rock District territory into the Vicksburg District; requests for surplus buildings for use as armories and school buildings; a charge that a foreman on a Camp Chaffee job was carrying a gun; a request by JWF for a tinted picture of Norfolk Dam.
- F21 U.S. District Engineers — Miscellaneous 1948-1951 [sic]  
 Sep 23, 1947 - Mar 16, 1951.  
 Contains correspondence relating chiefly to projects of the District Engineers in Arkansas, including Bull Shoals Dam, Norfolk Reservoir; flood control proposals and projects near Lake Chicot, in Bayou Meto Basin and Conway County, and along the Ouachita and Arkansas Rivers; proposals for irrigating the basins of the White, Arkansas and Ouachita Rivers and the Grand Prairie region. Also many requests for assistance: in obtaining a surplus chapel; in securing government contracts and appointments, in obtaining aid for schools in the areas affected by Engineers projects. Also exchanges of courtesies between JWF and the Engineers occasioned by his request of a photograph of Norfolk Dam and by a change of personnel in the District Engineers office in Little Rock.
- F22. U.S. Engineers — County Drainage Districts  
 Jan 18, 1946 - Apr 10, 1946.  
 Contains correspondence appealing for assistance in securing a levee project in Craighead County and the Dardanelle Drainage District, and a complaint about the manner in which the level of Wappapello Dam waters is regulated.

## BCN 23. (Cont. ...)

ov

## F23. U. S. Engineers — Flood Control

1944 - May, 1948.

Contains documents, reports and correspondence related to many flood-control projects and proposals in Arkansas, chiefly in the basins of the Grand (Neosho), Arkansas, White, Little, Little Missouri Rivers, Bodcaw Bayou, and in the St. Francis district. Also contains correspondence about drainage and flood control in Marion, Pike, Yell, Pope, Pulaski and Faulkner Counties; an exchange of letters about the floods of 1945, and supporting the Corps of Engineers as the agent for flood-control work rather than a Valley Authority a la TVA.

## F24. 4c Department of the Air Force — 1956 [sic]

Aug, 1955 - Aug 27, 1956.

Miscellaneous correspondents, news releases and clippings pertaining to Air Force-related problems: the activation of a radar facility at Walnut Ridge, Ark; National Guard and ROTC activities; request for assistance to a volunteer fire company in acquiring some obsolete National Guard equipment; an attempt to have a "fly-over" for the Carroll County Fair; a complaint regarding the award of a government contract for pallets.

## F25. 4c-1-a Little Rock Air Force Base 1955

Jan 25, 1952 - Dec 14, 1955.

Correspondence related to Little Rock Air Force Base from the selection of the site to the dedication, including the following: land-acquisition problems; labor and material disputes and inquiries; inquiries about obtaining various concessions at the base; plans for housing units and hospital facilities at the base and in Jacksonville, the city where it is located. Also several letters and resolutions advocating naming the base in honor of various men.

## F26. 4c-1-a Little Rock Air Force Base 1956

Dec 30, 1955 - Nov 21, 1956.

Contains a report advocating the use of natural gas in the living facilities at Little Rock Air Force Base; and a summary of past contracts and announcement of forthcoming housing construction at air bases in the state.

## BCN 23. (Cont. ...)

## F27. 4-c-1-b Blytheville Air Force Base 1955

Sep 13, 1951 - Dec 30, 1955.

Contains correspondence relating to the reactivation of Blytheville Air Force base by the Tactical Air Command, and accompanying problems to that community: land leasing, housing problems, government reimbursement for a donation of property by the city. Also contains a summary of expenditures and contracts at Blytheville Air Force Base through 1955.

## F28. 4c-1-b Blytheville Air Force Base 1956

Jun 7, 1955 - Sep 19, 1956.

Contains correspondence and memoranda related to the efforts of the First National Bank in Blytheville to be designated a depository for the Air Force base funds.

ov

## F29. Arkansas Installations — General Correspondence

Mar 7, 1947 - Dec 28, 1956.

Contains correspondence chiefly related to establishment or re-activation of military installations at various locations: Helena, Stuttgart, Texarkana, Walnut Ridge. Also more suggestions for a name for Little Rock Air Force Base, and attempts to learn about the possible construction of a guided missile plant in Northwest Arkansas.

ov

## F30. Arkansas Installations — General Correspondence

May 24, 1947 - Dec 29, 1954.

Correspondence reflecting constituents' concern in a variety of issues: the threatened re-location of the Little Rock District Engineers office; a planned reduction in personnel at the Red River and Pine Bluff arsenals; attempts to secure government surplus property; questions about re-activation of several Arkansas government installations, the most important being the Westmoreland Manganese project. Also contains requests for assistance to contractors, an inventor, and the Floating Plant employees of the Army Engineers.

## BCN 23. (Cont. ...)

- F31. 4b Newport Air Base Reactivation  
Jan 30, 1951 - Feb 17, 1951.  
Correspondence urging support of the reactivation of Newport Air Base. Also a map of the airbase.
- F32. War Department — Camp Crowder.  
Mar 5, 1946 - Nov 3, 1947.  
Correspondence opposing the curtailment of activities at Camp Crowder, Missouri.
- F33. War Department — Pine Bluff Arsenal  
Mar 8, 1945 - Feb 20, 1952.  
Contains correspondence related chiefly to attempts to secure the facilities of Pine Bluff Arsenal for civilian purposes, including the manufacture of chemicals, fertilizer, and Dixie Cups. Also contains letters of protest from civilian employees who are scheduled to be replaced by military personnel; from citizens concerned about a rumored reduction in the Arsenal's activities and about alleged fraudulent builders at the Arsenal.
- F34. War Prisoners — Cases  
Jan 10, 1945 - Mar 17, 1945.  
Correspondence related to the location and treatment of Arkansas prisoners of war, and to German prisoners detained in Arkansas.
- F35. 4-d-1 Camp Robinson, Little Rock.  
Dec 21, 1945 - Apr 9, 1947.  
Contains a map of Camp Joseph T Robinson, and correspondence related to the de-activation of this post after World War II, the disposal of surplus real-estate and other property, and the possibility of re-activation at the outbreak of the Asian hostilities. Also contains correspondence regarding the discharge or transfer of a musician in the U.S. Navy.

## BCN 23. (Cont. . . . )

- F36. 4d-2 Camp Chaffee. Ft. Smith.  
Dec 22, 1945 - Apr 9, 1947.  
Contains correspondence protesting the decommissioning of Camp Chaffee at the end of World War II; complaints and requests for assistance in the return of the military reservation lands to the former owners; inquiries about obtaining surplus buildings for use for educational or religious purposes.
- F37. 4-d-2 Camp Chaffee, Ft. Smith  
May 2, 1947 - Sep 21, 1949.  
Correspondence related to the reactivation and subsequent de-activation of Camp Chaffee. Also correspondence, petitions, clippings related to problems related to the camp: government contracts, maintenance of roads; restoring the USO to the servicemen; attempts to change its status to that of a fort; attempts to acquire buildings and lands declared as surplus.
- F38. 4-d-2 Camp Chaffee, Ft. Smith  
Sep 12, 1949 - Jan 30, 1952.  
Contains correspondence, petitions, resolutions and newspaper clippings related to the closing of Camp Chaffee, its rumored expansion and re-activation; requests for assistance in obtaining government contracts. Also correspondence about racial integration at Camp Chaffee.
- F39. 4-d-3 Reactivation of Newport Field, 1952.  
Mar, 1952 - Nov 3, 1952.  
Contains brochures promoting "Newport, Arkansas — an Area for Defense Plant Location" and "Newport, Arkansas offers its [sic] Municipal Airport for the National Defense Program," along with covering correspondence and letters about the proposed reactivation of Blytheville Air Base.

## BCN 23. (Cont. ...)

- F40. 4-d-4 Proving Ground — Hope, Ark.  
Sep 13, 1945 - Jan 29, 1947.  
Contains correspondence relating to the post-war disposition of the Southwestern Proving Ground at Hope: requests for help from veterans, civic groups, educators and others trying to obtain the property and improvements.
- F41. 4-d-4 Proving Ground — Hope, Ark.  
Feb 6, 1947 - Nov 1, 1951.  
Contains correspondence related to efforts to reclaim the Southwest Proving Ground for industrial and agricultural use.
- F42. 4e Army Ground Forces.  
Aug 14, 1951 - Aug 15, 1951.  
Contains a list of Arkansas men nominated for permanent Regular Army commissions, and two items about the Korean war.
- F43. 4-f Army Service Forces  
Oct 25, 1946 - Jan 20, 1947.  
Miscellaneous correspondence pertaining to the armed forces: commendation of two Pentagon officers; how a veteran might purchase Army surplus firearms; who can obtain the service records of military personnel.

E.S.  
8/9/74
