Mar 1944 - Mar 15, 1947.  
The file contains correspondence concerning several of the Department of Agriculture's cotton policies in 1946. The correspondence primarily pertains to raising the price ceilings on cotton seed and products derived from cotton seed. There is also correspondence concerning the need for an increased ceiling price on cotton linters as well as correspondence concerned with the falling price of raw cotton. A brochure entitled "Sunspots, Rainfall and the Price of Cotton" is also in the file.

- F6. BCN 26 F6 C9 Department of] Agriculture-Sugar [Correspondence concerning sugar allotments and shortages]  
 Aug 19, 1946 - Aug 4, 1947.  
 The file contains correspondence concerning the Department of Agriculture's sugar rationing policies. The letters from constituents can be divided into two classes: letters from homemakers and letters from industrial users. All letters state opposition to sugar rationing. Of special interest is the attempt of a soft drink bottler to have his sugar allotment increased. A memo from the C and H sugar company is also contained in the file.
- F7. BCN 26 F7 C9 Department of Agriculture-Miscellaneous Correspondence]  
 Oct 1943 - Feb 28, 1945.  
 The file contains letters from constituents concerning several agriculture matters. A large number of letters concern the alleged political activities of an Agriculture Adjustment Agency employee in Madison County. Another group of letters concern allegations that the Agriculture Extension Service in Arkansas is not cooperating with other agricultural agencies. There are letters complaining about the fact that the Agricultural Adjustment Agency declared void an election to fill the Madison County Committee of the A.A.A. A personal letter from Haco Boyd is also contained in the file.
- F8. BCN 26 F8 [9 Department of Agriculture-Miscellaneous Correspondence]  
 Nov 4, 1943 - Jun 29, 1945  
 The file contains letters from constituents concerning agricultural matters. Typical of these letters are those that state the need for more farm implements in Arkansas. Other examples would be as follows: letters requesting that the Department of Agriculture raise the price supports on Irish potatoes; letters complaining that the Department exploits temporary cotton classers and; letters protesting a proposed ban on cloth print grain bags. Letters commending the appointment of Clinton Presba Anderson as Secretary of Agriculture are also contained in the file.
- F9. ECN 26 FQ [9 Department of Agriculture-Miscellaneous Correspondence]  
 Feb 28, 1945 - Dec 17, 1945  
 The file contains correspondence concerning agricultural matters. Typical of these letters are those written to protest changing of loan agreement for cotton from net weight to gross weight, and to protest the feeder subsidy program for cattle. Other correspondence concerns: the proposed liquidation of the migratory labor camps; attempts to have two canneries in Springdale presented an "A" Award from the War Food Administration for outstanding contribution to the war effort; a request for a subsidy to the Flippin Canning Company and; suggestions for appointment of Director for the State A.A.A. Committee. Also contained in the file is a resolution of Northwest Arkansas farmers and a diagram of the proposed reorganization of the Department of Agriculture farm program in Searcy and Van Buren counties.

- F10. BCN 26 F10 C9 Department of Agriculture-Miscellaneous Correspondence]  
 Oct. 25, 1945 - Mar 29, 1946.  
 The file contains correspondence regarding agricultural matters. A large number of letters concern the shortage of feed for poultry and livestock as this shortage relates to War Food Order No. 9. Other correspondence concerns requests for a governmental program for supporting the price of dairy products, for an allocation of cotton for storage in the Waldo Bonded Warehouse, for a sale of some government land in Montgomery County, Arkansas and for information pertaining to Forest Service employment of pilots. Also contained in the file are copies of the following: a text of a radio broadcast protesting government laxity in controlling sources of protein feed; a statement of condition of the Federal Land Bank in St. Louis; a report by Professor Barnett Sure concerning "Food Yeasts and Soybeans in Relation to World Nutrition" and; War Food Orders 9 and 9-19.
- F11. BCN 26 F11 [9 Department of Agriculture-Miscellaneous Correspondence]  
 Mar 5, 1946-May 31, 1946.  
 The file contains correspondence regarding agricultural matters. Most of the correspondence regards the shortage of wheat resulting from the exportation of large quantities of the grain to Europe and Asia. Specific letters protest a proposed order to limit the use of flour for bread to 75% of the 1945 tonnage and the use of edible grains to make alcoholic beverages. Other letters request that some prisoners of war be allowed to continue their labor in Arkansas; that the Agriculture Department increase the pay for county agriculture office personnel and; that War Food Order 145 be rescinded. Also contained in the file is: a list of the Famine Emergency Committee Recommendations; a War Food Administration "Application for Payment for Designated Canned Foods" filled out by Mrs. Hattie Roberts, owner of the Roberts Canning Company; and a copy of Senate Bill 2119.
- F12. BCN 26 F12 C9 Department of Agriculture-Miscellaneous Correspondence]  
 April 29, 1946 - Sept 15, 1947.  
 The file contains correspondence pertaining to a wide range of agricultural matters. Some of this correspondence pertains to the following topics: the use of food yeasts to feed starving people in Europe and Asia, the wheat and corn shortage; the continuance of the farm labor supply program; the shortage of cottonseed with which to make livestock feed and; the destruction of surplus potatoes in Alabama. Also contained in the file is an article by Professor Barnett Sure entitled "Biological Value of Food Yeast Proteins and Their Role as Supplements to the Proteins of the Cereal Grains." The remaining supplementary data is as follows: a summary of hearings of the Senate Special Committee on Small Business; letters from Secretary of Agriculture Clinton P. Anderson to Representative August H. Andresen concerning the potato support program and; a plan to "stabilize the price of cotton" by E.L. Dean.

ov F13 BCN 26 F13 [9 Department of Agriculture-Miscellaneous Correspondence]

The file contains correspondence pertaining to a wide range of agricultural matters. For example, there are letters from constituents concerning the following: the securing of subsidy payments for livestock; protest of the potato destruction in Alabama; importation of Shetland Ponies; protest of the rice purchase program of the Department of Agriculture; the Commodity Credit Corporation's policy regarding the purchase of wheat for shipment abroad; the purchase of the Migratory Farm Labor Camp by the Springdale School Board; the purchase, by private citizens, of Federally owned conservation land around Forrest City and; opposition to the raising of import quotas on long staple cotton. The following supplementary material is also contained in the file: three news releases of the Citizens Food Committee; a copy of Public Law 296; a copy of the Department of Agriculture order allocating grain to distillers; a copy of "The Wheat Situation" published by the USDA and; a resolution of the Agriculture Committee of the Arkansas American Legion protesting the high price of fertilizer.

ov F14. BCN 26 F14 [9 Department of Agriculture-Miscellaneous Correspondence]

July 19, 1947-May 18, 1948.

The file contains correspondence pertaining to a wide range of agriculture matters. Examples of such correspondence would be letters regarding the following: the shortage of ammonia nitrate fertilizer; the future of rice exports; the use of chemical 2,4-D as a weed killer; the establishment of a wheat farm loan rate in Logan County; the establishment of a Commodity Credit Corporation grading office potatoes. There are several letters which request information about specific topics such as the procedure for buying Arabian stallions and the correct temperature for making cottage cheese. There are also letters of protest against the high price of milk and the raising of import quotas on long staple cotton. The following supplementary material is also contained in the file: a report of 2,4-D damage to cotton in Jefferson and Lincoln counties; a copy of House of Representatives Resolution 452, a paper entitled "Negro Extension Work in Arkansas;" a USDA publication entitled "Extension Work with Colored Farmers-Past and Present;" the annual report of the FCIC for 1948 and; a copy of the Arkansas House Concurrent Resolution No.10.

F15. BCN 26 F15 C9 Department of] Agriculture-Fertilizer Allocations in Arkansas.

Feb 20, 1946-May 2, 1946.

The file only contains letters regarding the shortage of fertilizer for the Spring 1946 planting season. Letters came from John H. Hobbs, President of the Crawford County Farm Bureau; F.R. Spurgin of the Ozark Cannery Association, Neil Puryear, Lee James of the Clear Creek Canning Company and J.H. Langley, President of the Nevada County Farm Bureau. The file also contains a list of tomato growers around Zinc, Arkansas.

- F16. BCN 26 F16 [9 Department of] Agriculture-Rice Production.  
July 5, 1945-April 3, 1946.  
The file contains correspondence protesting the proposed increase in allocations of rice for relief export shipment and reducing assessments to brewers, processors and manufacturers of food products in this country. Such correspondence came from J.W. Recker, the Producers Rice Mill, Inc. and Mr. Fred Ahrent, President of the Clay County Farm Bureau. There is also correspondence from Al F. Meehan requesting that the Cyanamede Company give preference to rice in its allocations.
- F17. BCN 26 F17 [9 Department of Agriculture] Arkansas Central Cooperative Cotton Classification, etc.  
Feb 17, 1945-Mar 12, 1945.  
The file contains two letters from Mr. Charles E. Henry of the Mid South Cotton Growers Association to Senator Fulbright denying accusations made by the Arkansas Central Cooperative Association that Mid South was underclassing cotton in order to buy it from farmers at a low price. A letter to Congressman Fadjo Cravens regarding the same matter is also included.
- F18. BCN 26 F18 [9] Department of Agriculture-D.D.T. Bureau of Entomology and Plant Quarantine [Laboratory reports on D.D.T.].  
June, 1944-May, 1945.  
The file contains only two letters: one is a cover letter from Avery S. Hoyt, Acting Chief of the Bureau of Entomology and Plant Quarantine, regarding enclosed publications concerning DDT and the other letter, from Senator Fulbright, thanking him for sending the information. The remainder of the file contains results of tests made by various agricultural experiment stations regarding the use of DDT.
- F19. BCN 26 F19 [9] Department of Agriculture-DDT Bureau of Entomology and Plant Quarantine [Laboratory reports on DDT].  
June, 1945-Aug, 1946.  
The file contains letters from only two constituents: John Hazelwood protesting shortage of DDT and Mont S. Echols requesting information on the manufacture of DDT. The remainder of the file contains reports on the effects of DDT to any number of plants, animals and insects.
- F20. BCN 26 F20 [9 Department of Agriculture] Rural Electrification Administration 1949-1951.  
Oct 12, 1949-Mar 15, 1950.  
The file contains correspondence regarding delivery of electric service in Arkansas. Some of the letters pertain to attempts to get electric service for Jacksonville from the REA. There are also copies of letters from the Arkansas Power and Light Company to various electric coops concerning proposed rate hikes. However, the great majority of the correspondence is in protest to a proposed loan from the Rural Electrification Administration to the Southwestern Power Administration with which to build generating

and transmission facilities in Western Arkansas.

BCN 26 F23 9-a [Department of Agriculture-Rural Electrification Administration] 1945-1949 [sic]

Nov 18, 1944-June 3, 1947

The file contains correspondence pertaining to various activities that came under the auspices of the Rural Electrification Administration. The two largest areas of correspondence pertain to the following: constituent requests for assistance in obtaining rural electric service and the appointment of a new REA Administrator.

Most of the letters in the latter category recommend William Joseph Neal for the post. There is also a copy of a letter from Arkansas Power and Light President Colter Hamilton Moses to T.E. Bostick, Manager of the Woodruff Electric Cooperative, offering alternatives to the proposed rate charged the Coops by AP&L. Supportive material includes: a resolution of the Texarkana Electrical Dealers Association protesting the sale of electrical appliances by coops; a resolution of the Baxter County Farm Bureau supporting Congressional appropriations for the REA and; the Arkansas Power and Light Company yearly report concerning the construction of rural electrical lines for 1946.

F24 BCN 26 F24 9-a [Department of Agriculture-Rural Electrification Administration] 1945-1949 [sic].

July 7, 1947-Dec 7, 1949

The file contains correspondence pertaining to various activities that came under the auspices of the Rural Electrification Administration. The overwhelming amount of correspondence concerns requests from constituents for assistance in obtaining electric service from their co-ops. Other correspondence includes a letter from a constituent inquiring whether the proper procedure was used in the election of officers for the Southwest Arkansas Electric Cooperative Corporation and a reply to an inquiry by Roy H. Parks, editor of "Coop Power" magazine, indicating that Senator Fulbright does favor 100% completion of the rural electrification program. Supplementary material includes several monthly statistical bulletins published by the REA and a record of energized farms in Arkansas as of December 31, 1948.

F25. BCN 26 F25 9 [Department of Agriculture] Farmers Home Administration. Disaster loans to cotton farmers. 1949-1950.

Oct 21, 1949-May 9, 1950.

The file contains correspondence relating to disaster loan activities of the Farmers Home Administration. The correspondence can be divided into three groups or time periods. The first group contains correspondence aimed at having various counties in Arkansas declared disaster areas by the FHA as a result of insect infestation and flooding of crops. The second group contains requests for assistance in receiving loans after the counties had been declared disaster areas. The third group contains requests for information regarding a directive in which the Administration of the FHA discontinued the refinancing phase of the disaster loan program. Also included in this group are letters of protest over the action. Supplementary material includes the following: instructions from FHA State Director Lester Virgil Highfill to County Supervisors concerning the proper procedure of obtaining information to be used in determining disaster loan areas; a resolution of the Pulaski County Farm Bureau favoring the making of disaster loans available and; a lengthy letter from Dillard Brown Lasseter, Administrator of the FHA, indicating which counties in Arkansas had been designated as disaster areas. The letter also outlined the procedure for obtaining loans.

- F26 BCN 26 F26 9-c [Department of Agriculture-Forest Service, Miscellaneous Correspondence and other Material] 1946-1949.  
Feb 1, 1946-June 15, 1948  
The file contains correspondence relating to the control and use by the U.S. Forest Service of land in the Ouachita and Ozark National Forests. Typical of such correspondence is that which urges better recreational development of the Ouachita National Forest in Montgomery County. Other correspondence: urges the sale of some Ouachita National Forest land to veterans and others; asks assistance in obtaining payment for land sold to the Forest Service and; requests assistance in forcing the Forest Service to fulfill an option to buy land from a private citizen. Senator Fulbright's reply to the letters are also included in the file. Supplementary material includes: a list of Montgomery County residents who urge a reasonable program of land sales by the Forest Service; a National Parks Payment Bonus released by the Ouachita and Ozark National Forests and; Facts and Figures for fiscal year 1947 concerning the National Forests.
- F27. BCN 26 F27 9-c [Department of Agriculture-Forest Service. Miscellaneous Correspondence and other material] 1946-1949.  
Jan 27, 1948-Nov 30, 1949.  
The file contains correspondence relating to the control of Ouachita and/or Ozark National Forest lands by the U.S. Forest Service. There is correspondence requesting appropriation of funds for recreational development of Mount Magazine. Other letters suggest that supervisor of Mount Magazine should be transferred from the National Forest Service to the National Park Service with the hope that the National Park Service would take "better care" of the area. Other correspondence: urges the implementation of a flood control plan for the upper White River; concerns the purchase of land by the Forest Service in the Boston Mountain area and; requests removal of names from a petition of protest against the Forest Service requiring additional lands in Scott County. Senator Fulbright's reply to these letters are also included in the file. Supplementary material includes the following: several miscellaneous publications of the U.S. Forest Service; a review of the Forest Service Coop Programs as they regard the Ouachita and Ozark National Forests; a survey of recreation facilities in the Mount Magazine Ranger District; pictures of the Mount Magazine Recreation Area and; a map of the Ozark National Forest.
- F28. BCN 26 F28 [9 Department of Agriculture] Arkansas Forest Service Centers. Forest Farmers Association.  
Jan 1, 1938-Mar 26, 1946  
The file contains correspondence relating to the Southern Forest Research Program. This correspondence can be divided into two basic parts: that which concerns the continuation of the research program in general, especially as that continuation depends upon hearings

before the Senate Agriculture Subcommittee of the appropriations Committee and that which concerns the establishment of a forest research center in Northwest Arkansas. The supplementary material is numerous and includes the following: a map of the Forest Service Research Centers and Field Stations as of 1938; several pages of the Congressional Record which contain speeches concerning experimental forests in the South; announcement by Senator Fulbright that the Agriculture Appropriation Bill would include tentative allocations for the Crossett Research Center and the establishment of a new Research Center at Sylamore Station in Northwest Arkansas and; a fact sheet on a program for rebuilding of timber resources in Northwest Arkansas.

F29 BCN 26 F29 [9] Department of Agriculture-Soil Conservation Service, 1946-1951.

Nov 11, 1946-Nov 13, 1951

The file contains various correspondence which falls under the auspices of the Soil Conservation Service. Some correspondence requests assistance in either obtaining funds for blacktopping the main road through Bear Creek Lake Park in Lee County, Arkansas, or in obtaining a transfer of irrigation equipment from the Soil Conservation Service to the Arkansas Resources and Development Commission. Other correspondence concerns information on either the sale of Lake Wedington and Lake Leatherwood Projects or the procedure for voting out a soil conservation district in Benton County. There are also letters protesting the actions of several Soil Conservation Service employees in the election for supervisor of the Benton County Soil Conservation District. Supplementary material includes the 1946 Report for the Greene County-Crowley Ridge Soil Conservation District and a report on the investigation of the complaint by Mr. Fred Haywood to the use of Soil Conservation Service engineers instead of private engineers by the Central Crowley Ridge Soil Conservation District.

F30 BCN 26 F30 [9 Department of] Agriculture-Flood Restoration [Miscellaneous Correspondence]

May 22, 194-Mar 8, 1946.

The file contains only two categories of correspondence. The first category pertains to whether or not the "disaster clause" of the Price Control Act can be applied to the damaged potato crop of 1945. The second category concerns the manner in which the Farm Security Administration is handling flood crop loans in Prairie County, Arkansas.

F31 BCN 26 F31 9-g [Department of Agriculture-Soil Conservation Service Miscellaneous Correspondence]

Apr 15, 1945-July 15, 1946.

The file contains several items of correspondence relating to various activities of the Soil Conservation Service. Examples of such

activities would be the following: the obtaining of a concession permit at Lake Wedington, Arkansas; the giving of surplus war equipment to the Soil Conservation Service and; the program of a school for Soil Conservation District Supervisors in Arkansas. However, the great majority of the letters are in protest to a proposal of the American Farm Bureau Federation to reorganize the Agriculture Department by consolidating the Soil Conservation Service with the Agriculture Extension Service.
