

The Cataloging Department's priority is to catalog newly acquired materials quickly, efficiently and accurately. All units attempt to maintain a current" status; that is, new materials are cataloged within two to four weeks after receipt. In addition, the department continually works on various projects which consist of specific sets of materials, grants, or projects designed to add additional fields to records in InfoLinks or, in some cases, to correct fields in InfoLinks records. Contact Cheryl Conway if there are any questions about projects. email: cconway@uark.edu phone: 575-4812
