

Request for Conversion or Duplication of Audiovisual Material

NOTICE: WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specific conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. The University libraries reserve the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.

I have read the above NOTICE and I hereby request the following duplication or conversion service. These materials are for my exclusive use for the sole purpose of research or study convenience. I understand that I am responsible for complying with the laws governing copyright and literary property rights.
