

COLONIAL ARKANSAS POST ANCESTRY -- 2013

Arkansas Post – Primary Names for Censuses and Inventories Between 1723-1743

The following table provides the primary family names of those individuals included in the Arkansas censuses and inventories of 1723, 1726, 1731, 1743 and 1749. The column on the right provides the numerous derivatives of these primary names; these spellings vary due to pronunciation and dictation variations, literacy levels, and even the influence of the Spanish language and pronunciation. As you work with this site, please make use of the primary names on the left. These names will ensure that any derivatives present will be accounted for in your search.
