1964 FISCAL YEAR

DEPARTMENT OF STATE

BUREAU OF EDUCATIONAL AND CULTURAL AFFAIRS

This list is compiled by the Reports Branch, Bureau of Educational and Cultural Affairs, Department of State, and is primarily for the use of American Foreign Service posts, the binational educational Commissions, Members of Congress, the Department of State and other Government agencies, and private organizations and institutions engaged in the international educational and cultural exchange program. This new consolidated directory provides for ready reference a geographical area and State-by-State listing of grantees. The persons listed were awarded grants under the Mutual Educational and Cultural Exchange Act of 1961 (Public Law 87-256), the Fulbright-Hays Act.

The basic purpose of the directory is to facilitate arrangements for guest lectures by grantees, for holding seminars, and for conducting brief teaching services between countries participating in the State Department's exchange program.
