¹Applications from other scholars in the fields indicated are in process of review and selection. The above list contains the names of scholars who, at this date (Oct. 1, 1951), have been selected for awards.

²The Committee has not received confirmation in every instance of the correctness of these dates.

³Visits already arranged to other institutions or a more detailed statement of the scholar's project are mentioned. A number of scholars have expressed a desire to lecture in other places. Their availability is indicated when this fact is known.

Explanation of symbols: (L) indicates that primary interest in the U.S. is lecturing; (R) that it is research; (F.) indicates woman; * indicates accompanied by wife and, in some instances, also by children.
